### A BILL FOR AN ACT

RELATING TO THE DRUG AND ALCOHOL TOXICOLOGY TESTING LABORATORY.

#### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Act 196, Session Laws of Hawaii 2021, 2 established the state drug and alcohol toxicology testing 3 laboratory special fund to support a state drug and alcohol 4 toxicology testing laboratory; specified that moneys in the 5 state highway fund may be expended for the cost of establishing 6 a state drug and alcohol toxicology testing laboratory; required 7 that fines imposed on offenders convicted of certain offenses 8 involving operating a vehicle under the influence of an 9 intoxicant be deposited into the state drug and alcohol 10 toxicology testing laboratory special fund; and required the 11 department of health to submit reports to the legislature on 12 expenditures from the state drug and alcohol toxicology testing 13 laboratory special fund.

Act 119, Session Laws of Hawaii 2022, appropriated moneys from the state highway fund to the state drug and alcohol toxicology testing laboratory special fund for fiscal year 2022-2023; and authorized the department of health to expend funds

from the state drug and alcohol toxicology testing laboratory
 special fund for the establishment of the state drug and alcohol
 toxicology testing laboratory.

Act 120, Session Laws of Hawaii 2022, appropriated moneys from the state highway fund to the state drug and alcohol toxicology testing laboratory special fund for fiscal year 2021-2022; and authorized the department of health to expend these funds from the state drug and alcohol toxicology testing laboratory special fund for the establishment of the state drug and alcohol toxicology testing laboratory.

However, there is an immediate and urgent need for blood alcohol testing and the department of health cannot fulfill these services at this time. The city and county of Honolulu emergency services department is currently able to conduct blood alcohol testing for all counties and will be able to conduct drug testing for impaired driving cases in the future if provided the funding.

18 The purpose of this Act is to:

19 (1) Allow moneys in the state highway fund to be expended
20 for the cost of maintaining a drug and alcohol

21 toxicology testing laboratory;
