

### A BILL FOR AN ACT

RELATING TO SEX TRAFFICKING.

#### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

- 1 SECTION 1. The legislature finds that sex trafficking is a
- form of modern-day slavery. According to a 2018 report 2
- 3 published by Arizona State University and the Hawaii state
- 4 commission on the status of women, one out of every eleven adult
- 5 males living in Hawaii is an online sex shopper. The report
- also estimated that there were 74,362 potential sex buyers in
- 7 Hawaii at the time of the study. Moreover, during the
- 8 coronavirus disease 2019 pandemic, a service provider for sex
- trafficking victims in Hawaii reported seeing a three hundred
- 10 per cent increase in demand for services, which included
- 11 trauma-informed care.
- 12 The legislature further finds that education ends
- 13 exploitation. By empowering students to protect themselves from
- 14 harm and build healthy relationships, training school staff in
- 15 how to respond to at-risk youth in a trauma-informed manner, and
- 16 creating sexual health programs that include information about
- 17 sex trafficking, schools can equip students with the knowledge
