# HOUSE CONCURRENT RESOLUTION

URGING THE UNIVERSITY OF HAWAII COMMUNITY COLLEGES TO ESTABLISH  
BACCALAUREATE DEGREE PROGRAMS IN AGRICULTURAL TECHNOLOGY,  
FOOD SCIENCE, AND EDUCATION AT LEEWARD COMMUNITY COLLEGE.

1           WHEREAS, there is a need for more baccalaureate degree  
2 programs at the University of Hawaii Community Colleges; and  
3

4           WHEREAS, there is also a need for agricultural technology  
5 and food technology programs in leeward and central Oahu; and  
6

7           WHEREAS, the majority of the State's farmers are nearing  
8 the age of retirement, and without new farmers, food production  
9 in the State will decline; and  
10

11           WHEREAS, to increase the number of new farmers in the  
12 State, the State needs agricultural technology and food  
13 technology programs that introduce new technologies and products  
14 into the agricultural industry; and  
15

16           WHEREAS, new technologies will capture the attention of  
17 students who have expressed interest in farming through their  
18 participation in FFA, formerly known as Future Farmers of  
19 America, in the State's public schools; and  
20

21           WHEREAS, there is also a need for teaching programs in  
22 leeward and central Oahu; and  
23

24           WHEREAS, more teachers who are willing to work in rural  
25 areas are needed in schools located in leeward and central Oahu  
26 and on the North Shore of Oahu, with the highest need being  
27 along the leeward coast; and  
28

29           WHEREAS, the University of Hawaii Leeward Community College  
30 is accredited to offer two baccalaureate degree programs; and  
31

# H.C.R. NO. 177

1 WHEREAS, new programs at Leeward Community College can  
2 become extensions for interested students enrolled in other  
3 University of Hawaii Community Colleges who are unable to attend  
4 Leeward Community College; now, therefore,  
5

6 BE IT RESOLVED by the House of Representatives of the  
7 Thirty-second Legislature of the State of Hawaii, Regular  
8 Session of 2023, the Senate concurring, that the University of  
9 Hawaii Community Colleges are urged to establish baccalaureate  
10 degree programs in agricultural technology, food science, and  
11 education at Leeward Community College; and  
12

13 BE IT FURTHER RESOLVED that certified copies of this  
14 Concurrent Resolution be transmitted to the President of the  
15 University of Hawaii System, University of Hawaii Vice President  
16 for Community Colleges, and University of Hawaii Leeward  
17 Community College Chancellor.
