
A BILL FOR AN ACT

RELATING TO TRANSPORTATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the department of
2 transportation manages and spends more taxpayer dollars than
3 nearly any other state agency. Most departments of
4 transportation throughout the country have robust mechanisms to
5 ensure funds are best spent, including publicly transparent
6 processes to evaluate, select, and track projects; oversight
7 commissions of expert stakeholders to independently monitor,
8 evaluate, and provide guidance to the department and
9 policymakers; and regular robust reporting that meaningfully
10 measures and assesses overall progress toward public policy
11 goals.

12 Accordingly, the purpose of this Act is to help the
13 department of transportation improve transportation outcomes by
14 establishing mechanisms enabling better transparency and
15 accountability for transportation efforts by:

16 (1) Requiring transparency in transportation project
17 evaluation, selection, and tracking; and

1 (2) Adding to the membership and mission of the state
2 highway safety council to make the council an
3 independently led group of expert stakeholders that
4 may review the department of transportation's efforts
5 to ensure transparency and provide guidance to the
6 department and legislature to help achieve state goals
7 and outcomes.

8 SECTION 2. Section 286-5, Hawaii Revised Statutes, is
9 amended to read as follows:

10 "**§286-5 State highway safety council.** (a) There is
11 established the Hawaii highway safety council. ~~[The director of~~
12 ~~transportation shall serve as its chairperson.]~~ The council

3 transportation in the department of transportation;
- 4 (3) Establish metrics and benchmarks for the department of
5 transportation to ensure progress on state goals
6 related to ground transportation, safety, and other
7 related goals;
- 8 (4) Review projects in development and make
9 recommendations for how each might be improved, if
10 warranted, to better meet state goals, before project
11 plans and designs are finalized;
- 12 (5) Provide direction to the department and make
13 recommendations to the legislature as necessary to
14 ensure progress on state goals related to ground
15 transportation, safety, and other related goals;
- 16 (6) Advise the governor, legislature, and public on
17 matters relating to the programs [and], activities,
18 projects, outcomes, and recommendations of the State
19 in the field of [highway] transportation safety[-];
20 and

1 (7) Submit an annual report to the department of
2 transportation that reflects the work,
3 responsibilities, and recommendations of the council.

4 (c) The members of the council shall serve without pay but
5 shall be entitled to reimbursement for necessary expenses while
6 attending meetings and while in discharge of their duties."

7 SECTION 3. Members of the state highway safety council who
8 are appointed and serving on the council prior to the effective
9 date of this Act shall continue to serve any remaining time left
10 in their terms; provided that their respective expertise aligns
11 with the council membership requirements pursuant to this Act.

12 SECTION 4. Statutory material to be repealed is bracketed
13 and stricken. New statutory material is underscored.

14 SECTION 5. This Act shall take effect on July 1, 2023.
