## A BILL FOR AN ACT

RELATING TO EXPUNGEMENT.

### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. The legislature finds that court records that
 have been dismissed or expunged from a person's record may still
 be accessed by prospective employers, landlords, lenders,
 educational institutions, and others. Though dismissed or
 expunged, these records can be regarded negatively and have a
 significant and long-lasting impact on a person's future.

7 The legislature further finds that no process exists to 8 request traffic citations that have been dismissed not be 9 included on a person's record, such as a traffic abstract. For 10 a person who has received an expungement order, the current 11 process to have their records and other information pertaining 12 to the arrest or case sealed or removed from the judiciary's 13 publicly accessible electronic database requires yet another 14 petition.

15 The purpose of this Act is to:

16 (1) Require the judiciary and the examiner of drivers to17 no longer include dismissed traffic citations on a

Section 286-172, Hawaii Revised Statutes, is 9 amended to read as follows: 10 "§286-172 Furnishing of information.
