10 WHEREAS, pay disparity in the State should be measured so 11 that it may be resolved; now, therefore, 12

BE IT RESOLVED by the Senate of the Thirty-second Legislature of the State of Hawaii, Regular Session of 2023, the House of Representatives concurring, that the Department of Human Resources Development is requested to draft a report on how a study may be conducted on gender pay inequities and what considerations should be taken into account; and

BE IT FURTHER RESOLVED that a certified copy of this
