SENATE CONCURRENT RESOLUTION

ENCOURAGING THE STATE'S COLLABORATION WITH SISTER-STATES ON
GLOBAL ENVIRONMENTAL LEADERSHIP.

1 WHEREAS, subnational governments such as Hawaii are leading
2 the way on environmental issues such as pollution, conservation,
3 and climate change, and adopting policies that are far more
4 aggressive than those at the federal or national levels, which
5 are often tempered or prevented by international politics; and
6

7 WHEREAS, the State is committed to the Under2 Coalition
8 Memorandum of Understanding, the United States Climate Alliance,
9 and the Paris Agreement; and
10

11 WHEREAS, the Legislature passed Act 97, Session Laws of
12 2015, which set a goal for the State to achieve one hundred
13 percent renewable energy by 2045; and
14

15 WHEREAS, the Legislature passed Act 15, Session Laws of
16 Hawaii 2018, which established a zero emissions clean economy
17 target, sequestering more carbon emissions than produced
18 annually by 2045; and
19

20 WHEREAS, countless other subnational governments are
21 working toward adopting similar goals and building clean
22 economies that will catalyze innovation, create new jobs, and
23 provide new opportunities for clean investment; and
24

25 WHEREAS, global cooperation on environmental and climate
26 issues has strengthened, with nations and subnational
27 governments convening regularly to forge agreements, trade best
28 practices, and develop clean economic policies at opportunities
29 such as the United Nations Conference of the Parties; and
30

31 WHEREAS, Hawaii stands to benefit from global meetings by
32 learning about innovative solutions for climate change, building
33 a clean economy, and expanding environmental protections and

1 opportunities for the investment and creation of new jobs; now,
2 therefore,

3

4 BE IT RESOLVED by the Senate of the Thirty-second
5 Legislature of the State of Hawaii, Regular Session of 2023, the
6 House of Representatives concurring, that this body encourages
7 the State's collaboration with Sister-States on global
8 environmental leadership; and

9

10 BE IT FURTHER RESOLVED that as a national leader on
11 environmental protection and climate change in the United
12 States, the State should engage in work with other subnational
13 and national governments on environmental and climate change
14 issues at global convenings such as the United Nations
15 Conference of the Parties and other similar opportunities for
16 collaboration; and

17

18 BE IT FURTHER RESOLVED that certified copies of this
19 Concurrent Resolution be transmitted to the Governor and
20 Director of Business, Economic Development, and Tourism.
