SENATE RESOLUTION

REQUESTING THE DIRECTOR OF FINANCE TO CONVENE OF A WORKING GROUP TO OPTIMIZE DRAWDOWNS OF FEDERAL FUNDS UNDER THE INFLATION REDUCTION ACT OF 2022 (PUBLIC LAW 117-169).

1 WHEREAS, on August 16, 2022, the 117th United States
2 Congress passed the Inflation Reduction Act of 2022 (Public Law
3 117-169), which, in part, would make hundreds of billions of
4 dollars available to the states to support their efforts to
5 mitigate climate change; and
6

7 WHEREAS, the State and counties are eligible to receive
8 federal funding, which currently includes but is not limited to:
9

10 (1) Over \$4 billion for the creation of a program that
11 awards grants to state energy offices to develop and
12 implement home energy rebate programs for certain
13 households that have achieved certain energy savings;
14

15 (2) Billions of dollars for tax credits to encourage
16 consumers to make purchases, such as new and used
17 clean energy vehicles (in credit amounts of up to
18 \$7,500 and \$4,000, respectively), and other energy
19 efficient expenditures;
20

21 (3) Competitive grants from the newly-created \$27 billion
22 Greenhouse Gas Reduction Fund to form the basis for
23 the first national green bank, with sixty percent of
24 funding dedicated to low-income and disadvantaged
25 communities to deploy or benefit from zero-emission
26 technologies, including distributed technologies on
27 residential rooftops, to carry out other greenhouse
28 gas emission reduction activities, and to promote
29 environmental justice;
30

31 (4) \$5.5 billion for grants, contracts, or financial
32 assistance agreements for disadvantaged communities
33 for up to one hundred percent of the cost of the
34 planning, design, or construction of certain water
35 projects that primarily provide domestic water

1 supplies to communities or households that do not have
2 reliable access to domestic water supplies;

3
4 (5) \$3 billion for competitive rebates and grants that
5 address air pollution at ports, specifically for:

6
7 (A) The purchase or installation of zero-emission
8 port equipment or technology for use at, or to
9 directly serve, one or more ports;

10
11 (B) Any relevant planning or permitting in connection
12 with the purchase or installation of zero-
13 emission port equipment or technology; and

14
15 (C) The development of qualified climate action
16 plans; and

17
18 (6) A billion-dollar clean heavy-duty vehicle rebate and
19 award program for the:

20
21 (A) Replacement of heavy-duty vehicles, such as
22 garbage trucks, transit buses, and school buses,
23 with zero-emission vehicles;

24
25 (B) Purchase, installation, operation, and
26 maintenance of infrastructure needed to charge,
27 fuel, or maintain zero-emission vehicles;

28
29 (C) Workforce development and training to support the
30 maintenance, charging, fueling, and operation of
31 zero-emission vehicles; and

32
33 (D) Planning and technical activities to support the
34 adoption and deployment of zero-emission
35 vehicles; and

36
37 WHEREAS, the State should take full advantage of the
38 federal funds being made available through the Inflation
39 Reduction Act, which requires the concerted efforts of county
40 agencies, state agencies, and Hawaii's congressional delegation;
41 now, therefore,
42

S.R. NO. 218

1 BE IT RESOLVED by the Senate of the Thirty-second
2 Legislature of the State of Hawaii, Regular Session of 2023,
3 that the Director of Finance is requested to convene a working
4 group to optimize drawdowns of federal funds under the Inflation
5 Reduction Act of 2022; and

6
7 BE IT FURTHER RESOLVED that the working group:

- 8
9 (1) Consist of members representing all levels of
10 government, as invited by the Director of Finance;
11
12 (2) Review the potential for drawing down of federal
13 funds;
14
15 (3) Plan for the drawing down of federal funds;
16
17 (4) Plan for the use of federal funds;
18
19 (5) Account for federal funds that have been drawn down
20 and spent; and
21
22 (6) Recommend any legislation that would help secure
23 additional federal funding; and
24

25 BE IT FURTHER RESOLVED that the working group is requested
26 to submit a preliminary report of its findings and
27 recommendations to the Legislature no later than twenty days
28 prior to the convening of the Regular Session of 2024, and a
29 final report of its findings and recommendations, including any
30 proposed legislation, to the Legislature no later than twenty
31 days prior to the convening of the Regular Session of 2025; and
32

33 BE IT FURTHER RESOLVED that certified copies of this
34 Resolution be transmitted to the Governor, Director of Finance,
35 Chief Energy Officer, members of Hawaii's congressional
36 delegation, Mayor of each county, and Chair of each county
37 council.
