Re: G.M. 529 – NOMINATION OF WILLIAM KUNSTMAN

The Office of Community Services (OCS), which is an attached agency of the Department of Labor and Industrial Relations (DLIR), is very pleased to provide its **strong support** of the nomination of William G. Kunstman to the position of Deputy Director of DLIR.

I have known Mr. Kunstman for my entire tenure as a staffer, and now as Executive Director, of OCS, a period of nearly ten years. Mr. Kunstman has been working in administration of DLIR during that entire period of time. He has been Assistant to the Director from December 2010 to October 2021. At that later date, his title was changed to Program Evaluation Analyst VII, and he continues in that role to the present. In both positions, he has performed numerous tasks – major and minor - assisting the Director of DLIR. And he has done this work under multiple Directors – Dwight Takamine, Scott Murakami, Anne Perreira-Eustaquio, and Jade Butay being the most recent ones.

Mr. Kunstman is intimately familiar with the policies, procedures, and mission of the Department. As we all know, DLIR is a department with broad responsibilities. He has been unfailingly helpful to OCS in everything that we have asked him to help us on. We can rely on him for his guidance, knowledge, insights, and assistance.

We urge the Committee on Labor and Technology to favorably recommend the nomination of William Kunstman to the entire Senate. Thank you very much for the opportunity to testify.

Re: G.M. 529; Submitting for consideration and confirmation as the Deputy Director, Department of Labor and Industrial Relations, Gubernatorial Nominee, WILLIAM KUNSTMAN, for a term to expire 12-07-2026.

The DLIR **strongly supports** the confirmation of William “Bill” Kunstman for Deputy Director of the department. Mr. Kunstman has served the DLIR for over twelve years in various roles, including Assistant to the Director, Public Information Officer, Designated Legislative Coordinator, and Program Evaluation Analyst VII. Mr. Kunstman’s extensive knowledge and understanding of the department’s operations and policies, internal and external relationships, and commitment to help people, workers, and businesses would serve him well as Deputy Director. He is a dedicated public servant who cares for the welfare of our community. Throughout his tenure at the department, he has demonstrated a sincere commitment for improving working conditions, advancing opportunities for fulfilling employment, and assuring work-related benefits and rights for the people of Hawaii.

I have worked with William "Bill" Kunstman from 2010-2014 while with Mitsubishi Elevator Corporation as a member for the State of Hawaii elevator advisory committee. "Bill" displayed excellent participation and resolution skills in assisting the then Director of Labor on many intricate and complex issues. He was also very instrumental in being the "go-between" between private elevator contractors, public stakeholders, and the State of Hawaii Elevator Inspection Branch. I then continued to work even more closely with Bill during my tenure as the supervising inspector for the State Elevator Inspection Branch during 2015-2019. Bill was instrumental in deciphering various Hawaii statues pertaining to the elevator code and related requirements. Together, we worked very closely in updating elevator codes and he was very instrumental in assembling meetings, preparations, and discussions with the private industry stakeholders. He supported the elevator inspection branch in assisting with fee increases and amendments to the current elevator administrative rules (12-229 and 12-230). Based upon my past experiences with Bill, his vast knowledge of the State of Hawaii's requirements as they pertain to elevator codes and legislative requirements, I strongly support him for the Deputy Director position.

Thank you.

RE: Strong Support for GM 529 - William Kunstman

Aloha Chair Moriwaki, Vice-Chair Lee and Members of the Committee:

My name is Keali'i Lopez and I am the State Director for AARP Hawai'i. AARP is a nonpartisan, social impact organization that advocates for individuals aged 50 and older. We have a membership of nearly 38 million nationwide and nearly 140,000 in Hawai'i. We advocate at the state and federal level for the issues that matter most to older adults and their families.

AARP strongly supports the confirmation of William Kunstman as the deputy director of the Department of Labor and Industrial Relations (DLIR).

AARP has had the pleasure of working closely with Mr. Kunstman on the Hawai'i Retirement Savings program which was passed in the 2022 legislative session (Act 269). Prior to its passage, Mr. Kunstman served on the legislative-appointed retirement savings task force in 2021. The Task Force worked on the feasibility study to demonstrate the need for a retirement savings program for Hawai'i's workers who do not have an easy way to save for retirement through their employer. This study served as the catalyst for the program's successful legislative passage. As the labor department's representative, Mr. Kunstman provided his expertise and knowledge about Hawai'i's labor market as well as the technical recommendations on the retirement savings bill. He also played a critical role in negotiating, along with prior DLIR Director, Anne Perreira-Eustaquio, to save the Hawai'i Retirement Savings program by agreeing to have the program housed within DLIR. As the deputy director of DLIR, Bill will be critical to the program's success as its planning and development are currently underway.

Thank you for the opportunity to testify in strong support of Mr. Kunstman's confirmation.

Dear Senators Moriwaki and Lee:

My name is Barron Guss, President of ALTRES, Inc., a three-generation, 54-year-old Hawaii company that provides employer services including payroll administration and professional employer services (PEO).

Without reservation, I support Governor Green's nominee, William Kunstman, for Deputy Director of the Department of Labor and Industrial Relations. I have had a collaborative working relationship with Mr. Kunstman since he started at the Department of Labor. Since that time, Mr. Kunstman has held various roles that allowed us to work together, starting with legislation surrounding the PEO industry and, most recently, addressing the insolvency issues of the unemployment trust fund and its impact on employers in the State of Hawaii.

Although we sometimes have had differences of opinion, I have always found Mr. Kunstman to be open-minded and respectful in his demeanor and actions, which has resulted in positive outcomes for both the State of Hawaii and its employers.

I believe his more than a decade of applied experience and institutional knowledge will serve both the department and employers well as we work together to build a stronger and better Hawaii.

Thank you in advance for your consideration of this fine nominee.

Respectfully,

Aloha **Chair Moriwaki, Vice Chair Lee**, and Distinguished Members of the Senate Committee on Labor and Technology,

The **Hawaii Laborers & Employers Cooperation and Education Trust** (Hawaii LECET) is a labor + management partnership established in 1992 between the 5,000 statewide members of the Hawaii Laborers Union and over 250 construction companies from the *General Contractors Association* and the *Building Industry Association*. The Laborers International is the largest construction trade union in North America, and Hawaii LECET is part of a network of 38 labor-management LECET Funds across the country.

We offer our strong support for GM 529, in the consideration and confirmation of Gubernatorial Nominee **Mr. William Kunstman** for the Deputy Director of the Department of Labor and Industrial Relations (DLIR). We have known and worked with Mr. Kunstman for over 15 years. Mr. Kunstman has a long and successful track record in both the public and private sectors, and we can wholeheartedly endorse his nomination.

Mr. Kunstman has an extensive and thorough knowledge of all aspects of DLIR from his years of working at the Department. He will be able to hit the ground running due to his involvement with labor issues while working at the legislature, including as Committee Clerk for State Senator Dwight Takamine, and most recently as Special Assistant to previous Labor Directors. There could not be anyone more qualified for the position of Deputy Director.

We urge your favorable consideration to advise and consent in the nomination of Mr. Bill Kunstman to the position of Deputy Director of the State Department Labor.

Re: RE: Strong Support for GM 529- William Kuntsman

I am Kathleen Wyatt, President and Founder of Hale Hau'oli Hawai'i. Thank you for the opportunity to testify in strong support for the confirmation of William Kuntsman as Deputy Director of the Department of Labor and Industrial Relations (DLIR).

I had the pleasure of serving as Chair of the legislative-appointed Retirement Savings Task Force, working on the program's feasibility report that led to the successful passage of the Hawaii Retirement Savings Program (Act 296) in 2022. Mr. Kuntsman was a member of the task force, and as the Labor Department's representative, Mr. Kuntsman provided his expertise and knowledge about Hawai'i's labor market as well as technical recommendations on the retirement savings bill. As the Deputy Director of Labor, he will be critical to the program's success as its planning and development are currently underway.

I strongly support SM 529 - confirmation of William Kuntsman as the Deputy Director of the Department of Labor and Industrial Relations (DLIR).

Thank you again for this opportunity to submit my testimony in support of William Kuntsman.

RE: GM 529 - Consideration and Confirmation of Gubernatorial Nominee William Kunstman as the Deputy Director, Department of Labor and Industrial Relations

Dear Chair Sharon Moriwaki, Vice Chair Chris Lee, and Members of the Committee:

My name is Sheri-Ann Lau Clark, and I am respectfully writing in strong support of GM 529 to confirm William Kuntsman as the Deputy Director of the Department of Labor and Industrial Relations (“DLIR”).

I met William “Bill” Kuntsman through my previous work as General Counsel for Hawaii Employers Counsel (“HEC”) while Bill was working as an Assistant to the Director of DLIR. Bill was key to connecting members of HEC with many resources within the DLIR. During the legislative session, he helped employers understand pending measures that broadly impacted the employer community. For instance, he helped employers to understand legislation impacting the unemployment insurance contribution rate as our State dealt with the economic impacts of COVID. Topics such as how legislation would change the calculation of the unemployment insurance contribution rate were complex topics, and Bill helped to coordinate multiple seminars for the business community to ensure they could make the right decisions for themselves and plan for changes that new laws would bring.

While working at HEC, I appreciated Bill not only for his help in educating employers about pending or newly passed legislation, but also for his assistance in connecting us with subject matter experts within the DLIR. These subject matter experts on topics like workers’ compensation, safety, unemployment insurance, wage and hour laws, and employment discrimination also worked with HEC to educate employers on employment related topics that mattered to them.

Frankly, I do not remember a time when Bill was “too busy” to answer any of my questions presented on behalf of HEC. In my experience, he graciously responded to all of my questions and if he did not know the answer to my question, he connected me with the person within DLIR who could. I found him to be reliable, gracious, honest, and intelligent.

For these reasons, I respectfully request that this Committee confirm William “Bill” Kuntsman as the Deputy Director for the DLIR. Thank you for allowing me to submit testimony on this bill.

Mahalo,

Sheri-Ann Lau Clark

TESTIMONY OF LOWELL CHUN-HOON

Re: GM 529 Confirmation of William Kunstman
As Deputy Director, Department of Labor & Industrial Relations

Chair Moriwaki, Vice Chair Lee, and Members of the Committee:

Thank you for the opportunity to present testimony regarding the nomination and confirmation of William Kunstman to serve as Deputy Director of the Department of Labor and Industrial Relations, State of Hawai'i. I completely support this nomination.

I have been a labor lawyer for 45 years and during this time much of my legal practice has involved the Department of Labor & Industrial Relations. While I am speaking only in an individual capacity, I have also represented several major unions over the last four and half decades and am very familiar with the daily conduct of the department's programs in workers' compensation, temporary disability, unemployment compensation, and civil rights.

I was not aware, until I reviewed Mr. Kunstman's resume, that he spent the first eight years of his career as a Program Manager for the Marimed Foundation in Kaneohe at a specialized treatment facility for at-risk youth and four years as an Educational Coordinator primarily serving persons 55 or older with the Research Corporation of the University of Hawaii. However, I suspect this prior background in working with troubled youth and educating senior citizens has served as a valuable background during his last twelve years with the Department of Labor. Because he was directly involved in the hands-on-delivery of client services in the community, Mr. Kunstman necessarily understands how the delivery of social services and learning programs are carried out in everyday practice and this has enhanced his ability to formulate and to implement legal and regulatory policy.

Mr. Kunstman began his career in government service in 2004 working for two legislative sessions as a Committee Clerk to the late Representative H. Mark Takai and Senator

Dwight Takamine. He then served as the Assistant to five Directors of the Department of Labor and Industrial Relations--Directors Takamine, Chu Takayama, Hoshijo, Murakami, and Eustacio-Perreira before assuming his current position a Program Evaluation Analyst VII with responsibilities for special projects, departmental management public information and coordinating administrative rules and legislation. It is a tribute to his competence and adaptability that he could serve continuously and successfully through these six leaders with their varied personalities, styles and backgrounds.

During his tenure at the Department of Labor, Mr. Kunstman has efficiently carried out all of his current responsibilities and served as the institutional memory for the executive leadership of his agency. He possesses a consummate understanding of his department's functions and his collegial and productive relationships with all those who staff the department have been critical to achieving his department's mission. As a personality type Mr. Kunstman is direct, soft spoken, intelligent, honest, and unpretentious, traits that will serve him well as an administrator, and which have inspired trust in him by both his colleagues within his department, other agencies, legislators, and the general public.

Hawaii's citizens and the constituencies of the Department of Labor and Industrial Relations have been fortunate to have had the benefit of his last twelve years of service. Mr. Kunstman is uniquely well-qualified to serve as Deputy Director of the Department of Labor and Industrial Relations, and I therefore respectfully urge that the Senate Committee on Labor and Technology confirm his nomination.

Aloha Chair Moriwaki, Vice Chair Lee and members of the Committee,

My name is Ken Kakesako and I am writing in strong support of GM 529, submitting for consideration and confirmation as the Deputy Director, Department of Labor and Industrial Relations (Department), Gubernatorial Nominee, William Kunstman, for a term to expire 12-07-2026.

Mr. Kunstman has extensive experience and knowledge of the Department as a result of over 12 years of experience as the Assistant to the Director and as a Program Evaluation Analyst VII within the Department. His responsibilities as the Public Information Officer and the designated legislative coordinator gave him insight and exposure to the myriad of issues facing the Department and have uniquely prepared him for this role as the Deputy Director.

Personally, I have had the pleasure of working with Mr. Kunstman in various capacities around labor and workforce related issues and I have found that he was knowledgeable on an array of topical areas and was timely with any enquiries that were sent his way.

Given his previous work experience and his intimate knowledge of the Department, I believe Mr. Kunstman is an excellent choice for the role of Deputy Director and I hope the committee sees fit to approve his nomination.

Thank you for the opportunity to provide testimony.

Re: Confirmation of William Kunstman as Deputy Director
to the Department of Labor and Industrial Relations

Chair Moriwaki and Members of the Labor and Technology Committee:

My name is Dwight Takamine and I am submitting this testimony in support of the confirmation of William “Bill” Kunstman as Deputy Director for the Department of Labor and Industrial Relations (DLIR). I submit the following for your consideration based on my work and personal relationship with Bill for over fifteen years.

I worked with Bill while I served as the Senate Labor Committee Chair, from 2009 to 2010, and he served in the position of Committee Clerk. When I became Director for the Department of Labor and Industrial Relations from 2010 (to the beginning of 2015), Bill worked as an Assistant to the Director’s office. It is primarily during this time that I came to trust Bill, to trust his judgment, and to trust the quality of his work.

Given his years of experience in both Legislative and Administrative roles, he has gained a good understanding of the labor laws in Hawaii. In addition, working at the Legislature has helped him learn the process, and has provided opportunities to develop relationships with various officials (both elected and non-elected). Serving as Legislative Coordinator for over a decade, has provided Bill with a special skill set, which relates to managing bills as well as budget requests that impact the DLIR. This kind of background will definitely benefit the Director, as well as help the DLIR in fulfilling its mission.

Moreover, Bill has worked for over thirteen years as an employee of the Department of Labor (most of those years working out of the Director’s office), which has provided him with much insight regarding the employees and (in particular) key “leaders” within the DLIR. In addition, working as Public Information Officer for the Department for over a decade has provided him with sensitivities, which has not only aided the DLIR, but is well suited to his personality. He has a keen ability to adapt, and the fact

that he was able to successfully navigate working under a variety of Directors during his tenure at DLIR speaks for itself.

Also, one of Bill's strong characteristics is his reliability. I learned that he will effectively follow through on "assignments" - and this makes him a valuable member on any team. Bill sincerely cares about the well-being of all workers, and he understands the direct relationship and interdependence between labor and management.

One final point is the historical and institutional perspective that Bill brings to the table. In supporting Bill's confirmation as DLIR Deputy Director, I feel that you have a "candidate" who has been at the heart, or has worked close to the heart of the DLIR, and therefore, has a clear sense of the needs of the State. He has seen the ups and downs of the Department, and he can see where improvements need to, and are being made.

COVID was a major challenge and "set back" for the State of Hawaii. For the Department of Labor, one major challenge was the huge number of Unemployment Claims that were filed, when so many people lost their jobs. The infrastructure supporting the processing of those claims had become obsolete and inefficient for some time. Today, that same system is being modernized and updated to serve the current and future needs of the State better. A similar dynamic is occurring with the workers' compensation system. New modifications and improvements are being made, after years of complaints that the "system was broken". These are only two examples - and Bill Kunstman has made a contribution to many of these ongoing improvements.

Based on the foregoing, and the perspective and "tools" that Bill would bring to the position, I strongly recommend your favorable consideration and confirmation of William "Bill" Kunstman as Deputy Director for the Department of Labor and Industrial Relations. Thank you for the opportunity to submit this testimony.

G.M. 529-Submitting for consideration and confirmation as the Deputy Director, Department of Labor and Industrial Relations, WILLIAM KUNSTMAN, for a term to expire 12-07-2026.

Written Testimony Only

Good afternoon, Chair Moriwaki, Vice-Chair Lee and Members of the Committee on Labor and Technology:

My name is Terrence Aratani and I **strongly support** the confirmation of William Kunstman as the Deputy Director with the Department of Labor and Industrial Relations for the foregoing reasons.

I am the Chief Executive Officer of Ko`olauloa Health Center on the North Shore of O`ahu. I have been the CEO for the last 8 years. In my previous career as staff at the Legislature, I met Mr. Kunstman around 2009 while he was working for Senator Takamine. We worked together on various legislative issues. We worked well together and I can state he made positive contributions to the Legislature.

When I first started working for Ko`olauloa Health Center, I had to learn a whole new career including labor issues. Mr. Kunstman was always willing to provide assistance and guide me when he was staff at the Department of Labor and Industrial Relations. I am grateful for his expertise in those areas that were new to me.

In closing, I have never heard any criticism of Mr. Kunstman, especially of his work ethics.

For the foregoing reasons, I strongly support his appointment as Deputy Director and thank you for this opportunity to submit testimony.

Chair Moriwaki, Vice Chair Lee, and Members of the Committee:

Greetings!

May I request that we relive the early period of the COVID-19 pandemic and how the DLIR became one of, if not the, weakest link in the response? The inhumanity many unemployed experienced was in the news then, and the DLIR explained their side. Moving forward, it is clear that residents need a DLIR that will undo its past failings while preparing the islands for the future. Undoing a broken and fragmented system is a necessary condition for tomorrow but insufficient. In this case, the Deputy Director must be more central and activist in reforming the DLIR. Mr. Kuntsman has been in the front seat of DLIR operations, having been part of the DLIR Director's Office since the era of DLIR Director Dwight Takamine. We encourage this Committee to ask the hard questions on how DLIR will move forward and what role he is committed to putting on his shoulder.

RE: Governor's Message 529

Nomination of William Kunstman
For Confirmation as the Deputy Director of Labor and Industrial Relations

I strongly support the Nomination of William "Bill" Kunstman to be the Deputy Director of Labor and Industrial Relations.

I recently retired after serving as the Executive Director of the Hawai'i Civil Rights Commission (HCRC) for 26 years, from 1997-2023. The HCRC is administratively attached to the Department of Labor and Industrial Relations (DLIR).

From 2011 through the present, Mr. Kunstman has worked in the Director's office at the DLIR, by my count serving under the administrations of six Directors (Directors Takamine, Chu Takayama, (Leonard) Hoshijo, Murakami, Perreira-Estaquio, and Butay). Whether his title was Assistant to the Director or Program Evaluation Analyst, he played key roles as the department's designated legislative coordinator, public information officer, and administrative rules coordinator, as well working on special projects as assigned. In his work, Mr. Kunstman has demonstrated a broad and deep understanding of the work of the DLIR divisions and administratively attached agencies and the laws that they enforce. He has a strong grasp of labor law and policy, and has been a credible spokesperson for the department. I recommend him to you as a person of good, honest character who leads by example and a hard worker who is responsible and gets things done. I am confident that Bill Kunstman's knowledge, experience, and understanding of the DLIR will serve him and the people of the state well as the DLIR Deputy Director.

I urge the Committee and the Senate to approve and confirm the nomination of William Kunstman to be the Deputy Director of Labor and Industrial Relations.

Thank you for your consideration.

TESTIMONY OF SCOTT T. MURAKAMI
BEFORE THE SENATE COMMITTEE ON LABOR AND TECHNOLOGY

In consideration of GOVERNOR'S MESSAGE 529

Monday, April 10, 2023
3:00PM, Conference Room 224

SUBMITTING FOR CONSIDERATION AND CONFIRMATION AS THE DEPUTY DIRECTOR,
DEPARTMENT OF LABOR AND INDUSTRIAL RELATIONS, GUBERNATORIAL NOMINEE, WILLIAM
KUNSTMAN, FOR A TERM TO EXPIRE 12-07-2026.

Chair Moriwaki, Vice-Chair Lee, and members of the committee:

Thank you very much for the opportunity to testify on Governor's Message 529 regarding the appointment of William Kunstman to serve as the Deputy Director of the Department of Labor and Industrial Relations. I **STRONGLY SUPPORT** his nomination.

During my tenure as Hawaii's 21st Director of the Department of Labor and Industrial Relations (DLIR), I had the honor of working directly with Mr. Kunstman in his capacity as the Assistant to the Director. Mr. Kunstman (Bill) has an incredibly extensive knowledge of state and federal labor statutes, the duties and responsibilities of each of the divisions and attached agencies under the jurisdiction of DLIR, and vast working experience with the legislature. He has excellent working relations with Hawaii's labor organizations and most importantly, an unwavering dedication to supporting and protecting Hawaii's labor force.

When the COVID-19 crisis occurred and the antiquate Unemployment Insurance (UI) system degraded, Bill was an invaluable asset, unwavering in his duty to the people of Hawaii. He understood the magnitude of the situation and impact it would have on Hawaii's families especially those living paycheck to paycheck. He played a vital role in taking actions such as contacting and coordinating with the Hawaii Public Library System, who served as the initial group of volunteers to assist with processing UI claims. He worked with DLIR staff behind the scenes to ensure the safety of all DLIR offices and the safety of the dedicated state employees, legislators, and legislative staff who stepped forward to serve our community during this time of need. He contributed immensely to all critical decisions that ultimately resulted in the implementation of the replicated SQL gateway and SQL data system solution that allowed over 190,000¹ Hawaii residents to successfully file their initial UI claims between the months of April and May 2020.

In addition, Bill organized the DLIR Director's office daily meetings with the press. This provided Hawaii's residents with up-to-date information on the progress of our solutions to address the degradation of the UI system and to answer as many questions as possible from our community.

Bill is an extremely loyal, incredibly knowledgeable, duty bound professional. I am confident that Bill will live up to his Oath of Office and continue to provide safe watch over Hawaii's workers and their families. I want to publicly thank Bill for standing by me during my tenure at DLIR and especially for his tremendous, quiet and effective contributions to our community during an unprecedented time of need. I **WHOLEHEARTEDLY SUPPORT** William Kunstman's nomination to serve as the Deputy Director of DLIR. Thank you very much for the opportunity to testify.
