Department: Commerce and Consumer Affairs
 Prog ID(s): CCA-102
 Name of Fund: Compliance Resolution Fund - Cable Television
 Legal Authority: Chapter 440G, HRS, Act 199, SLH 2010

Contact Name: Michael Wun
 Phone Number: 586-2830
 Fund type (MOF): Special Funds (B)
 Appropriation Account Number: S-XX-302-R

Intended Purpose:

To promote responsive and reliable cable communications services for the people of Hawaii, by issuing cable franchises to qualified and suitable cable operators when it is in the public interest to do so; regulating cable television operators to ensure compliance with applicable State and Federal laws and franchise agreements; expand and administratively manage the statewide Institutional Network; and continue the availability of public, education and government cable access. Additional responsibilities due to Act 199 tasked CATV to implement activities to expand and deploy infrastructure to increase access to broadband.

Source of Revenues:

Franchise Fees (HAR 16-132) paid by cable tv operators.

Current Program Activities/Allowable Expenses:

- Issues and enforces cable television franchises for cable communications services. Conduct franchise renewal and transfer proceedings to ensure the capability of the cable television operators, and that customers are provided adequate and efficient cable television services.
- Promulgates and enforces rules and regulations governing the practices, procedures, quality and quantity of services.

- Plans and encourages the development of new, improved and more effective utilization of cable communications services, equipment, and facilities including the State's Institutional Network (INET), and public, educational, and government (PEG) access resources and facilities, which will enhance communications services available to Hawaii's citizens.
- Support and facilitate public and private efforts to increase affordable broadband access to unserved and underserved areas, including increasing the availability of publicly accessible WiFi hotspots at community gathering areas and facilities.

Variations:

Generally, variations in revenues each year is due to changes in the gross revenues of the cable operators in the State. For FY21 through FY23, the variance in revenues is due to DCCA's decision to decrease the annual fee assessed on cable operators from 1% to 0%, effective July 1, 2019, until further order of the DCCA Director (Decision and Order No. 375; May 9, 2019); and revenue in FY20 through FY23 represent basic interest. Decision to decrease the annual fee was rescinded during Q1 of FY24. Variations in expenditures each year including FY21, FY22 and FY23 relate to: (1) planned management audits and utilization of consulting services (e.g., franchise renewals, PEG designations, federal FCC proceedings, etc.); and (2) increased broadband related activities. FY 24 variance due to projection to ceiling.

Cash balance lapse to general fund? (Yes / No) No.

 Name of Fund: Funds held outside the State Treasury by Charter Spectrum Oceanic

Contact Name: Michael Wun
 Phone Number: 586-2830
 Fund type (MOF) Funds held outside of State Treasury
 Appropriation Account Number T-xx-907

Intended Purpose:

Franchise fees over the cap amount that is paid by Oceanic Time Warner Cable, LLC ("Oceanic") to Olelo are provided to DCCA for INET/Broadband purposes.

Source of Revenues:

Franchise fees (HAR 16-132) paid by cable tv operators.

Current Program Activities/Allowable Expenses:

Expenses related to expansion and upgrade of the Institutional Network ("INET"); and any other expenses/activities relating to broadband.

Variances:

Variance in revenues each year occurred due to changes in Spectrum's gross revenues, which are based on the number of customers and cable packages to which such customers subscribe. Revenues (aside from simple interest) for this account ceased since Spectrum is no longer required to hold funds for INET and broadband related purposes in the account, under Decision and Order No. 372, issued by the Department on March 23, 2018. In FY20, due to a review of Spectrum's calculations of franchise fees and true-up requirements, \$67,463 in revenues in addition to interest was added to the account, the \$13 in expenditures in FY20 are due to bank fees.

Prog ID(s):	<u>CCA-103</u>	Phone Number:	<u>586-2830</u>
Name of Fund:	<u>CRF-PUC Spcl Fnd Allocation-Consumer Advocacy</u>	Fund type (MOF):	<u>Special Funds (B)</u>
Legal Authority:	<u>Section 269-33, HRS</u>	Appropriation Account Number:	<u>S-XX-303-R</u>

Intended Purpose:

To fund the operations of the Division of Consumer Advocacy.

Source of Revenues:

Public utility fees paid to the public utilities commission pursuant to HRS §269-30, and placed in the public utilities commission special fund. Pursuant to HRS §269-33, on a quarterly basis, an amount is allocated in accordance with legislative appropriations to the DCA and deposited in the compliance resolution fund.

Current Program Activities/Allowable Expenses:

To represent, advance and protect the interests of consumers of regulated utility and transportation services. The division is a party to every proceeding before the Hawaii Public Utilities Commission. The division participates in, among other things, reviews of utility and transportation companies' requests to increase rates, service reliability investigations, energy utility integrated resource plans, and capital improvement projects for utilities. In addition, the division strives to promote effective competition and consumer protection through contested cases and rule making proceedings regarding telecommunications and electric power infrastructure development.

Variances:

Revenue variance(s): Historically, revenue variances related to interest revenues varying due to variances in cash balances. In 2022, transfers from the PUC Special Fund were recorded as revenues .

Expenditure variance(s): Actual expenditures have varied from estimates for various reasons, including, but not limited to: 1) vacancies that caused actual payroll expenditures to be lower than budgeted; and 2) the activity in various dockets not progressing as expected, which caused anticipated consulting (outside services) charges to vary. For instance, the decreases in FY 2021-2023 were primarily related to various dockets either not progressing or not requiring extensive consultant assistance. Vacancies also contributed to the lower expenditures. For FY 2024 and beyond, the Division continues to anticipate greater work leveles related to the renewable energy transition, PBR proceedings, and rate cases, which should reflect higher consulting needs. In addition, the Division anticipates having less vacancies.

Variances:

FY 21 revenue variance due to increase in mortgage loan originator activity. FY 22 variance due to sustained mortgage loan activity. The decline in revenue from FY22 through FY24 is primarily due rising interest rates which have resulted in significant dampening of the mortgage industry which affects mortgage loan origination, mortgage servicers, and escrow depositories. The expenditure variance from FY23 to FY 24 is due to projection to ceiling.

To allow consumers harmed by persons that violate Chapter 454F, HRS, to recover damages sustained by the fraud, misrepresentation, or deceit of such persons.

Source of Revenues:

Fees paid by mortgage loan originators upon initial licensure and at annual renewal. (Act 64 2022)

Current Program Activities/Allowable Expenses:

DFI is concerned about potential scams arising from Maui wildfires.

Variations:

The drop off in revenue beginning in FY 20 results from suspension of collection of fees until the fund reduces to \$750,000. The MLRF has sufficient funds to compensate aggrieved consumers. Currently, there are no court actions pending to provide disbursement of the fund.
