## **STATUS OF THE PROGRAM FOR ENVIRONMENTALLY-THEMED PRODUCTS TO SUPPORT THE ENVIRONMENT**

### PURPOSE

Act 186, Session Laws of Hawaii 2002, amended Chapter 195, Hawaii Revised Statutes (HRS), by adding a new section to establish a program to financially benefit the environment by the development of environmentally-themed products, such as collectible stamps, credit cards, and coins to be sold to the public. This new section was enacted as an addition to Chapter 195, HRS, but was renumbered to Chapter 195D, HRS, pursuant to Section 23G-15, HRS.

Section 195D-5.5(d), HRS, requires an annual report to be prepared by the Department of Land and Natural Resources (DLNR) of the Program's products, costs, and revenues to be submitted to the Hawaii State Legislature no later than twenty days before the convening of each regular session. This annual report is submitted to fulfill the reporting requirement for the period of July 1, 2022 to June 30, 2023.

### FINDINGS

Each product developed under this Program must be approved by the Chairperson of the Board of Land and Natural Resources and the Governor, after consulting appropriate environmental organizations. No new products were produced for Fiscal Year (FY) 2023.

Notecards featuring Hawaiian native plants and native ecosystems were first printed during 2005. A total of 10 different types of cards were printed and are sold as sets or individually.

“Wao Akua: Sacred Source of Life,” a paperback book featuring essays, poems, and photographs of rare Hawaiian forests, was published by DLNR, Division of Forestry and Wildlife (DOFAW) in 2003.

“Protect Our Native Species” decals were produced for the license plate decal program in 2008. Decals are distributed through the Department of Motor Vehicles. DOFAW receives \$20.00 for each decal sold.

For the reporting period of July 1, 2022 to June 30, 2023, \$1,673.25 was deposited into the Endangered Species Trust Fund pursuant to Section 195D-5.5(c), HRS, from the sale of environmentally-themed products. The total cost to DLNR for these products was \$0.00 for FY 2023.
