# A BILL FOR AN ACT

RELATING TO 911 SERVICES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the technology for  
2 911 services is continually evolving, resulting in changing  
3 terminology to describe the technology. Twenty years ago, the  
4 term "enhanced" for 911 services referred to the new technology  
5 at that time, which allowed identification of the caller's  
6 telephone number as well as the location of the caller. Across  
7 the nation, states are now in the process of implementing "next  
8 generation" 911 technology containing significant advances to  
9 the "enhanced" 911 technology. However, chapter 138, Hawaii  
10 Revised Statutes, identifies 911 services in the State as  
11 "enhanced" 911 services and restricts funding solely for  
12 "enhanced" 911 services, preventing the State from using funding  
13 for future 911 technologies. Deletion of the term "enhanced"  
14 will allow continued funding for the most up-to-date 911  
15 services, which is critical for the safety and well-being of all  
16 people residing in or visiting the State.

1           The legislature also finds that under existing law, the 911  
2 board may employ an executive director who is exempt from  
3 chapters 76 and 89, Hawaii Revised Statutes, to carry out the  
4 responsibilities under chapter 138, Hawaii Revised Statutes,  
5 however, the 911 board is not allowed to employ staff exempt  
6 from these chapters.

7           The purpose of this Act is to:

- 8           (1) Delete the term "enhanced" in reference to 911  
9           services to allow funding of all 911 technologies; and  
10          (2) Allow the 911 board to employ staff, in addition to  
11          the executive director, who are exempt from chapters  
12          76 and 89, Hawaii Revised Statutes, the State's civil  
13          service and collective bargaining laws.

14          SECTION 2. Section 76-16, Hawaii Revised Statutes, is  
15 amended by amending subsection (b) to read as follows:

16          "(b) The civil service to which this chapter applies shall  
17 comprise all positions in the State now existing or hereafter  
18 established and embrace all personal services performed for the  
19 State, except the following:
