# A BILL FOR AN ACT

RELATING TO NURSES.

## BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 457, Hawaii Revised Statutes, is  
2 amended by adding a new section to be appropriately designated  
3 and to read as follows:

4 "§457- Temporary permit. (a) The board may issue a  
5 temporary permit to a practical nurse or registered nurse  
6 licensed in another jurisdiction who:

7 (1) Completes an application on a form prescribed by the  
8 board;

9 (2) Pays all applicable fees to the board as prescribed by  
10 administrative rules;

11 (3) Provides proof of a valid and unencumbered license in  
12 another state, territory, or country by way of a  
13 license verification from the other state, territory,  
14 or country, or Nursys license verification report as  
15 prescribed by administrative rules; and

16 (4) The board has determined that no disciplinary action  
17 has been taken or is pending with a nursing authority.

1        (b) The board may issue a temporary permit to a nurse who  
2 currently holds a multistate license issued by another state,  
3 territory, or country; provided that the individual:

4        (1) Completes an application on a form prescribed by the  
5 board;

6        (2) Pays all applicable fees to the board as prescribed by  
7 administrative rules;

8        (3) Provides proof of a valid and unencumbered multistate  
9 license in another state, territory, or country by way  
10 of a Nursys license verification report as prescribed  
11 by administrative rules. For purposes of this  
12 subsection, a "multistate license" means a license to  
13 practice as a licensed practical nurse or registered  
14 nurse issued by a home state licensing board that  
15 authorizes the licensed nurse to practice in all party  
16 states under a multistate licensure privilege; and  
17 (4) The board has determined that no disciplinary action  
18 has been taken or is pending with a nursing authority.

19        (c) A temporary permit shall be issued only to an  
20 applicant who has been appointed or accepted employment with a

1 single health care entity in the State listed in section 321-  
2 11(10).

3 (d) A temporary permit shall be issued within ten business  
4 days of the date the completed application is received by the  
5 board and shall be valid for a period of no longer than six  
6 months from the date of issuance.

7 (e) Beginning July 1, 2025, notwithstanding sections 457-7  
8 and 457-8, an out-of-state registered nurse or licensed  
9 practical nurse may apply for a temporary permit based on the  
10 requirements of subsections (a) or (b), simultaneously with an  
11 application for a license to practice as a registered nurse or  
12 licensed practical nurse in the State. Any out-of-state  
13 registered nurse or licensed practical nurse applying  
14 simultaneously for a temporary permit and license to practice  
15 shall be required to submit only one application with a single,  
16 non-refundable fee as prescribed by the board. A temporary  
17 permit pursuant to this subsection shall be issued within ten  
18 business days of the date the completed application is received  
19 by the board; provided that all criteria in subsections (a) or  
20 (b), and (c) have been met; provided further that the temporary  
21 permit issued pursuant to this subsection shall be valid until

1 the time the board approves the individual's application for a  
2 license to practice as a registered nurse or licensed practical  
3 nurse but no longer than one year."

4 SECTION 2. Section 457-7, Hawaii Revised Statutes, is  
5 amended by amending subsection (b) to read as follows:

6 "(b) Licenses shall be granted either by:

7 (1) Examination: The applicant shall be required to pass  
8 a written examination in nursing subjects as  
9 determined by the board. Upon the applicant's passage

13 license to practice nursing as a registered nurse; or

14 (2) Endorsement: The board may issue a license to  
15 practice nursing as a registered nurse by endorsement  
16 to an applicant who has been licensed as a registered  
17 nurse under the laws of another state, territory, or  
18 foreign country if the applicant has an unencumbered  
19 license and, in the opinion of the board, the  
20 applicant meets the qualifications required of  
21 registered nurses in this State at the time of

1 graduation. [~~Pending verification of a valid,~~

6 amended by amending subsection (b) to read as follows:

7 "(b) Licenses shall be granted either by:

9 a written examination in nursing subjects as  
10 determined by the board. Upon the applicant's passage
