Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

This is to inform you that on July 5, 2024, the following bill was signed into law:

SB2787 SD2 HD1 CD1

RELATING TO IMMIGRATION.
ACT 207

Sincerely,

Josh Green, M.D.
Governor, State of Hawai'i

A BILL FOR AN ACT

RELATING TO IMMIGRATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that there is an
2 unfulfilled need in the State for broad-based, dedicated
3 services for recent immigrants to assist them with issues
4 relating to language access; legal issues relating to their
5 status as immigrants; acculturation with respect to legal
6 responsibilities, employment responsibilities, family matters,
7 and other acculturation issues; employment searches; support for
8 their children's education; access to health care; inclusion and
9 civic engagement; and a myriad of other challenges and
10 opportunities.

11 The legislature also finds that Hawaii has a long history
12 of welcoming immigrants. Immigrants and their children have
13 made, and continue to make, significant contributions to the
14 State, including the State's economy, workforce, and community.

15 The legislature further finds that immigrants comprise two
16 hundred seventy thousand persons, or eighteen per cent, of
17 Hawaii's population, including 145,000 persons who are
18 naturalized citizens. Immigrants come to Hawaii from many

1 countries; almost half of all immigrants in the State come from
2 the Philippines. Immigrants make up forty per cent of
3 agricultural workers, thirty-three per cent of tourism and
4 hospitality workers, and twenty-three per cent of health care
5 workers in the State.

6 The legislature further finds that other states provide
7 immigrant and refugee services through state-funded offices with
8 dedicated staff and program funds for immigrant integration.
9 These offices also coordinate with other government and
10 community agencies and apply for federal resources. This type
11 of office exists in Maryland, Massachusetts, Nevada, and New
12 York. In California, the department of social services has an
13 immigrant services bureau that ensures the effective development
14 and implementation of programs to support legal services,
15 outreach, community education, and other integration efforts.
16 Many cities across the nation, including Los Angeles, San
17 Francisco, and Seattle, have also established comprehensive,
18 government-funded offices for immigrant and refugee affairs.
19 Many of these offices provide funds for English language
20 training, translation and interpretation, workforce development,
21 and legal services related to immigration status,

1 naturalization, and accessing government services. In Hawaii,
2 the counties of Maui and Hawaii have offices offering limited
3 services, but there are none in the county of Kauai or the city
4 and county of Honolulu.

5 Pursuant to House Concurrent Resolution No. 169 (2021), the
6 legislature convened a working group to "improve access to
7 government services for immigrants and increase immigrant
8 opportunities to make civic and economic contributions to the
9 community." As part of the working group, community groups
10 identified the office of community services as the best state
11 agency to service immigrants and suggested that the office be
12 given dedicated staff to address immigrant and refugee matters.
13 In response, Act 256, Session Laws of Hawaii 2022, provided
14 \$1,000,000 to the office of community services to reinstate
15 immigrant resource centers and to support nonprofit immigrant
16 service agencies. The legislature notes that in 1985, the
17 office of community services was established as an attached
18 agency to the department of labor and industrial relations. The
19 legislative mandate of the office of community services is to
20 serve low-income individuals, immigrants, and refugees.

1 The legislature believes that further action is needed to
2 support programs for Hawaii's immigrants and refugees, support
3 immigrant services, and ensure that new immigrants have equal
4 access to government services.

5 Accordingly, the purpose of this Act is to establish an
6 immigration services and access unit within the office of
7 community services and provide for additional dedicated staff
8 and additional program funds to allow the office of community
9 services to meet its full legislative mandate.

10 SECTION 2. Chapter 371K, Hawaii Revised Statutes, is
11 amended by adding a new section to be appropriately designated
12 and to read as follows:

13 "§371K- Immigration services and access unit. The
14 office of community services shall establish within the office
15 an immigration services and access unit to provide for
16 immigration services and access through program activities as
17 described in this section. The purpose of the immigration
18 services and access unit shall be to promote immigrant economic
19 self-sufficiency, community inclusion, and integration. The
20 immigration services and access unit shall provide statewide
21 services, coordinate with relevant government and nonprofit

1 agencies, and approve contracts with qualified nonprofit
2 organizations to support integration and civic engagement. The
3 immigration services and access unit shall also be responsible
4 for the immigrant resource centers, administration of the
5 refugee program, and management of other programs relating to
6 immigrants."

7 SECTION 3. There is appropriated out of the general
8 revenues of the State of Hawaii the sum of \$450,000 or so much
9 thereof as may be necessary for fiscal year 2024-2025 to fund
10 the immigrant services and access unit within the office of
11 community services, to be expended as follows:

- 12 (1) \$80,000 to establish one full-time equivalent (1.0
13 FTE) unit supervisor position;
- 14 (2) \$48,000 to establish one full-time equivalent (1.0
15 FTE) fiscal clerk position;
- 16 (3) \$12,000 as operation funds, including funds for on-
17 site monitoring, legal review costs, printing costs,
18 and travel expenses to attend conference training;
- 19 (4) \$300,000 to expand the immigration resource centers to
20 provide more direct client assistance for
21 naturalization fees and replacement of U.S. Customs

1 and Border Protection Form I-94 Arrival/Departure
2 Records, and to specifically provide further
3 assistance to immigrants affected by the August 2023
4 Maui wildfires; and

5 (5) \$10,000 for furniture and equipment for the newly
6 established positions.

7 The sum appropriated shall be expended by the department of
8 labor and industrial relations for the purposes of this Act.

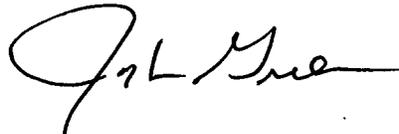

9 SECTION 4. New statutory material is underscored.

10 SECTION 5. This Act shall take effect on July 1, 2024.
