A BILL FOR AN ACT

RELATING TO PUBLIC ORDER.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Hawaii has long been 2 a leader among the states in the development of progressive and 3 innovative undertakings on behalf of its neediest residents. 4 Securing the well-being of all of the State's citizens and 5 residents continues to be a policy objective deserving of the 6 highest priority. As a growing share of the State's resources 7 are committed to programs and services to assist those in 8 greatest need, the State also has both the obligation and the 9 opportunity to ensure that government resources are used 10 prudently, in a cost-effective manner, for the benefit of all 11 residents. This can be accomplished through new and innovative 12 solutions. One such solution is legislation that secures public 13 places for use by all of Hawaii's residents, not just the 14 homeless, and ensures that the homeless who loiter on public 15 property are referred for appropriate services.
