
A BILL FOR AN ACT

RELATING TO THE UNIVERSITY OF HAWAII.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that following the Maui
2 wildfires in August 2023, the speaker of the state house of
3 representatives established six bipartisan interim working
4 groups tasked with evaluating specific topics in the aftermath
5 of the wildfires and making recommendations for appropriate
6 legislative action in the regular session of 2024. Members of
7 the working groups collaborated with federal, state, and county
8 agencies, along with community stakeholders and interested
9 parties, to identify immediate issues that require temporary or
10 transitional relief for the people and businesses of west Maui.

11 The legislature further finds that the jobs and business
12 working group was specifically tasked with evaluating the Maui
13 unemployment rate, approaches to restart business activity, and
14 impacts to tourism statewide and preparing recommendations for
15 appropriate legislative action. All working groups released a
16 joint final report in December 2023 detailing their findings and
17 recommendations.

1 The purpose of this Act is to adopt the recommendation of
2 the jobs and business working group by funding adjunct faculty
3 positions at the university of Hawaii Maui college to train
4 persons in construction trades.

5 SECTION 2. There is appropriated out of the general
6 revenues of the State of Hawaii the sum of \$ or so
7 much thereof as may be necessary for fiscal year 2024-2025
8 for full-time equivalent (FTE) temporary adjunct
9 faculty positions at the university of Hawaii Maui college to
10 train persons in construction trades.

11 The sum appropriated shall be expended by the university of
12 Hawaii for the purposes of this Act.

13 SECTION 3. In accordance with section 9 of article VII of
14 the Hawaii State Constitution and sections 37-91 and 37-93,
15 Hawaii Revised Statutes, the legislature has determined that the
16 appropriations contained in H.B. No. , will cause the state
17 general fund expenditure ceiling for fiscal year 2024-2025 to be
18 exceeded by \$ or per cent. In addition, the
19 appropriation contained in this Act will cause the general fund
20 expenditure ceiling for fiscal year 2024-2025 to be further
21 exceeded by \$ or per cent. The combined total

1 amount of general fund appropriations contained in only these
2 two Acts will cause the state general fund expenditure ceiling
3 for fiscal year 2024-2025 to be exceeded by

4 \$ or per cent. The reasons for exceeding the
5 general fund expenditure ceiling are that:

6 (1) The appropriation made in this Act is necessary to
7 serve the public interest; and

8 (2) The appropriation made in this Act meets the needs
9 addressed by this Act.

10 SECTION 4. This Act shall take effect on July 1, 3000.

Report Title:
