
A BILL FOR AN ACT

RELATING TO AFFORDABLE HOUSING DEVELOPMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Hawaii housing
2 finance and development corporation is the primary agency
3 charged with overseeing affordable housing finance and
4 development in Hawaii.

5 The legislature also finds that there are immediate and
6 novel opportunities to develop affordable housing throughout the
7 State. Development of temporary and permanent affordable
8 housing on Maui, administration of infrastructure loans for
9 Maui, development of a leasehold project at the university of
10 Hawaii west Oahu, and infrastructure and project coordination to
11 implement the Mahelona transit-oriented development master plan
12 on Kauai are projects that require additional Hawaii housing
13 finance and development corporation resources.

14 Accordingly, the purpose of this Act is to appropriate
15 funds to the Hawaii housing finance and development corporation
16 for a project management III position to aid in the development
17 of affordable housing options in the State.

1 SECTION 2. There is appropriated out of the general
2 revenues of the State of Hawaii the sum of \$ or so
3 much thereof as may be necessary for fiscal year 2024-2025 for
4 the establishment and hiring of full-time equivalent
5 (FTE) project management III position to carry out the
6 purposes of this Act.

7 The sum appropriated shall be expended by the Hawaii
8 housing finance and development corporation for the purposes of
9 this Act.

10 SECTION 3. In accordance with section 9 of article VII of
11 the Hawaii State Constitution and sections 37-91 and 37-93,
12 Hawaii Revised Statutes, the legislature has determined that the
13 appropriations contained in H.B. No. , will cause the state
14 general fund expenditure ceiling for fiscal year 2024-2025 to be
15 exceeded by \$ or per cent. In addition, the
16 appropriation contained in this Act will cause the general fund
17 expenditure ceiling for fiscal year 2024-2025 to be further
18 exceeded by \$ or per cent. The combined total
19 amount of general fund appropriations contained in only these
20 two Acts will cause the state general fund expenditure ceiling
21 for fiscal year 2024-2025 to be exceeded by

H.B. NO. 2292

1 \$ or per cent. The reasons for exceeding the
2 general fund expenditure ceiling are that:

3 (1) The appropriation made in this Act is necessary to
4 serve the public interest; and

5 (2) The appropriation made in this Act meets the needs
6 addressed by this Act.

7 SECTION 4. This Act shall take effect on July 1, 2024.

8
