**A BILL FOR AN ACT**

RELATING TO 911 SERVICES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the technology for  
2 911 services is continually evolving, resulting in changing  
3 terminology to describe such technology. Twenty years ago, the  
4 term "enhanced" for 911 services referred to the new technology  
5 at that time, which allowed identification of the caller's  
6 telephone number as well as the location of the caller. Across  
7 the nation, states are now in the process of implementing "next  
8 generation" 911 technology containing significant advances to  
9 the "enhanced" 911 technology. However, chapter 138, Hawaii  
10 Revised Statutes, identifies 911 services in the State as  
11 "enhanced" 911 services and restricts funding solely for such  
12 "enhanced" 911 services, preventing the State from using funding  
13 for future 911 technologies. Deletion of the term "enhanced"  
14 will allow continued funding for the most up-to-date 911  
15 services, which is critical for the safety and well-being of all  
16 people residing in or visiting the State.

17           The legislature also finds that the 911 board may employ  
18 staff, in addition to the executive director, exempt from

H.B. NO. 2339

1 chapters 76 and 89, Hawaii Revised Statutes, to carry out the  
2 responsibilities under chapter 138, Hawaii Revised Statutes.

3 SECTION 2. Section 76-16, Hawaii Revised Statutes, is  
4 amended by amending subsection (b) to read as follows:

6 comprise all positions in the State now existing or hereafter  
7 established and embrace all personal services performed for the  
8 State, except the following:

10 National Guard as such, and positions in the Hawaii

16 the director of human resources development has

20 to perform the service cannot be obtained through  
21 normal civil service recruitment procedures. Any such  
22 contract may be for any period not exceeding one year;

JUSTIFICATION SHEET

DEPARTMENT: Accounting and General Services

TITLE: A BILL FOR AN ACT RELATING TO 911 SERVICES.

PURPOSE: To delete the term "enhanced" in reference to 911 services to allow funding of all 911 technologies. To allow the 911 Board to employ staff, in addition to the executive director, exempt from chapters 76 and 89, Hawaii Revised Statutes (HRS).

MEANS: Amends section 76-16(b), HRS, section 128A-13, HRS, the title of chapter 138, section 138-1, the title and subsections (a), (e), (h), and (i) of section 138-2, section 138-3, section 138-4, and subsections (a), (c) and (e) of section 138-5, sections 138-6, 138-7(a), 138-8, 138-9, 138-10, 138-12, 269-1, 269-16.95, and 269E-12, HRS.

JUSTIFICATION: The term "enhanced" in reference to 911 services refers to a particular technology developed more than twenty years ago that allowed display of the caller's telephone identification and location. Since then, technology has evolved with improvements in services and changes in terminology, rendering the term "enhanced" outdated. Chapter 138, HRS, identifies the 911 services and the funding as specifically for "enhanced" 911, which limits the ability of the 911 Board to use funding to upgrade to technologies beyond "enhanced" 911 technology. Across the nation, states are in the process of upgrading their 911 services to "Next Generation" technology. Future 911 technologies similarly will have different identifying common names as they are developed. Deletion of the term "enhanced" from chapter 138, HRS, will allow the 911 Board to fund the public safety answering points' upgrade to the latest 911 technologies regardless of the common name of such technologies.

Allowing the 911 Board to employ both the executive director and staff, exempt from chapters 76 and 89, HRS, will allow the Board to obtain much needed administrative support without delay.

Impact on the public: Allows funding for the latest technologies in 911 services, for the safety and welfare of all residents of and visitors to the State.

Impact on the department and other agencies:  
None.

GENERAL FUND: None.

OTHER FUNDS: None.

PPBS PROGRAM  
DESIGNATION: AGS 891

OTHER AFFECTED  
AGENCIES: None.

EFFECTIVE DATE: Upon approval.
