
A BILL FOR AN ACT

RELATING TO EMERGENCY MANAGEMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the power of the
2 governor or a mayor to suspend the transmission of electronic
3 media during a state of emergency is overly broad and vague.
4 Electronic media could include not only all radio and television
5 broadcasts, but also could potentially include text messages,
6 emails, and posts to social media platforms, which would
7 restrain lawful free speech and publication and violate the
8 First Amendment of the United States Constitution.

9 The purpose of this Act is to remove the ability of the
10 governor or a mayor to suspend electronic media transmission
11 during a state of emergency.

12 SECTION 2. Section 127A-13, Hawaii Revised Statutes, is
13 amended by amending subsections (a) and (b) to read as follows:

14 "(a) In the event of a state of emergency declared by the
15 governor pursuant to section 127A-14, the governor may exercise
16 the following additional powers pertaining to emergency
17 management during the emergency period:

1 (1) Provide for and require the quarantine or segregation
2 of persons who are affected with or believed to have
3 been exposed to any infectious, communicable, or other
4 disease that is, in the governor's opinion, dangerous
5 to the public health and safety, or persons who are
6 the source of other contamination, in any case where,
7 in the governor's opinion, the existing laws are not
8 adequate to assure the public health and safety;
9 provide for the care and treatment of the persons;
10 supplement the provisions of sections 325-32 to 325-38
11 concerning compulsory immunization programs; provide
12 for the isolation or closing of property [~~which~~] that
13 is a source of contamination or is in a dangerous
14 condition in any case where, in the governor's
15 opinion, the existing laws are not adequate to assure
16 the public health and safety, and designate as public
17 nuisances acts, practices, conduct, or conditions that
18 are dangerous to the public health or safety or to
19 property; authorize that public nuisances be summarily
20 abated and, if need be, that the property be
21 destroyed[7] by any police officer or authorized

1 person, or provide for the cleansing or repair of
2 property, and if the cleansing or repair is to be at
3 the expense of the owner, the procedure therefor shall
4 follow as nearly as may be the provisions of section
5 322-2, which shall be applicable; and further,
6 authorize without the permission of the owners or
7 occupants, entry on private premises for any [~~such~~] of
8 these purposes;

9 (2) Relieve hardships and inequities, or obstructions to
10 the public health, safety, or welfare, found by the
11 governor to exist in the laws and to result from the
12 operation of federal programs or measures taken under
13 this chapter, by suspending the laws, in whole or in
14 part, or by alleviating the provisions of laws on
15 [~~such~~] terms and conditions as the governor may
16 impose, including licensing laws, quarantine laws, and
17 laws relating to labels, grades, and standards;

18 (3) Suspend any law that impedes or tends to impede or be

20 of, or to conflict with, emergency functions,
21 including laws [~~which~~] that by this chapter

- 1 specifically are made applicable to emergency
2 personnel;
- 3 (4) Suspend the provisions of any regulatory law
4 prescribing the procedures for out-of-state utilities
5 to conduct business in the State including any
6 licensing laws applicable to out-of-state utilities or
7 their respective employees, as well as any order,
8 rule, or regulation of any state agency, if strict
9 compliance with the provisions of any [~~such~~] law,
10 order, rule, or regulation would in any way prevent,
11 hinder, or delay necessary action of a state utility
12 in coping with the emergency or disaster with
13 assistance that may be provided under a mutual
14 assistance agreement;
- 15 (5) In the event of disaster or emergency beyond local
16 control, or an event [~~which,~~] that in the opinion of
17 the governor, [~~is such as to make~~] renders state
18 operational control necessary, or upon request of the
19 local entity, assume direct operational control over
20 all or any part of the emergency management functions
21 within the affected area;

13 investigate; and notwithstanding any other law to the
14 contrary, to regulate or prohibit, by means of
15 licensing, rationing, or otherwise, the storage,
16 transportation, use, possession, maintenance,
17 furnishing, sale, or distribution thereof, and any
18 business or any transaction related thereto;
- 19 (9) Suspend section 8-1, relating to state holidays,
20 except the last paragraph relating to holidays
21 declared by the president, which shall remain

1 unaffected, and in the event of the suspension, the
2 governor may establish state holidays by proclamation;
3 (10) Adjust the hours for voting to take into consideration
4 the working hours of the voters during the emergency
5 period, and suspend those provisions of section 11-131
6 that fix the hours for voting, and fix other hours by
7 stating the same in the election proclamation or
8 notice, as the case may be;
9 (11) Assure the continuity of service by critical
10 infrastructure facilities, both publicly and privately
11 owned, by regulating or, if necessary to the
12 continuation of the service thereof, by taking over
13 and operating the same; and
14 (12) Except as provided in section 134-7.2, whenever in the
15 governor's opinion, the laws of the State do not
16 adequately provide for the common defense, public
17 health, safety, and welfare, investigate, regulate, or
18 prohibit the storage, transportation, use, possession,
19 maintenance, furnishing, sale, or distribution of, as
20 well as any transaction related to, explosives,
21 firearms, and ammunition, inflammable materials and

12 exercise the following additional powers pertaining to emergency
13 management during the emergency period:

14 (1) Relieve hardships and inequities, or obstructions to
15 the public health, safety, or welfare, found by the
16 mayor to exist in the laws of the county and to result
17 from the operation of federal programs or measures
18 taken under this chapter, by suspending the county
19 laws, in whole or in part, or by alleviating the
