
A BILL FOR AN ACT

RELATING TO STATE GESTURE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the shaka gesture
2 should be recognized as the official gesture of the State.

3 While multiple origin theories exist, all theories have the
4 shaka developing within the State. More importantly, while
5 multiple Hawaii ethnic cultures and resident groups have
6 contributed varying layers of meaning to the shaka, there is a
7 shared agreement in the shaka's positive sentiments and usage
8 toward sharing aloha, fostering connection, and being pono.

9 The legislature further finds that the shaka is a key brand
10 symbol for the State, offering influential power to build the
11 State's economy, global brand, and resident pride. As the shaka
12 is now used around the world, this Act ensures that Hawaii
13 retains recognition as the birthplace of the shaka. It is
14 therefore appropriate that the shaka be honored as the official
15 gesture of the State to secure recognition of Hawaii as the
16 shaka's place of origin, to preserve the meaning of the shaka as
17 originated in Hawaii, to preserve Hawaii's brand association

2 world.

3 Therefore, the purpose of this Act is to adopt, establish,
4 and designate the shaka as the official gesture of the State.

5 SECTION 2. Chapter 5, Hawaii Revised Statutes, is amended
6 by adding a new section to be appropriately designated and to
7 read as follows:

8 "§5- State gesture. The shaka is adopted, established,
9 and designated as the official gesture of the State."

10 SECTION 3. New statutory material is underscored.
