
HOUSE RESOLUTION

URGING THE DEPARTMENT OF HEALTH TO EXPLORE AVENUES TO ENSURE CONTINUED ACCESS TO AFFORDABLE MEDICATIONS FOR THE STATE'S UNDERSERVED POPULATIONS UNDER THE 340B DRUG PRICING PROGRAM AND URGING HAWAII'S CONGRESSIONAL DELEGATION AND RELEVANT FEDERAL AGENCIES TO MONITOR PHARMACEUTICAL COMPANIES AND TAKE APPROPRIATE ACTIONS TO PROTECT THE INTEGRITY OF THE 340B DRUG PRICING PROGRAM.

1 WHEREAS, the federal 340B Drug Pricing Program (340B
2 Program) requires pharmaceutical companies to sell outpatient
3 drugs at discounted prices to covered entities, including
4 certain types of hospitals, for the pharmaceutical companies'
5 medications to be covered by Medicaid; and
6

7 WHEREAS, more than two thousand six hundred hospitals were
8 participating in the 340B Program as of January 2023; and
9

10 WHEREAS, to be eligible for the 340B Program, hospitals
11 must meet various criteria, which may include treating
12 disproportionate numbers of low-income Medicare and Medicaid
13 patients, as measured by each hospital's disproportionate share
14 hospital adjustment percentage; and
15

16 WHEREAS, the 340B Program plays a vital role in supporting
17 access to affordable pharmaceuticals for eligible hospitals
18 serving vulnerable populations across the United States; and
19

20 WHEREAS, the 340B Program enables participating hospitals
21 to stretch scarce federal resources to reach more eligible
22 patients and provide comprehensive health care services to
23 underserved communities; and
24

25 WHEREAS, it is crucial to safeguard the integrity and
26 effectiveness of the 340B Program to ensure continued
27 availability of discounted medications; and
28

29 WHEREAS, pharmaceutical companies have a responsibility to
30 support access to affordable medications for all patients,
31 including those served by hospitals participating in the 340B

1 Program (340B hospitals), and should refrain from engaging in
2 actions that hinder the ability of eligible hospitals to fulfill
3 their mission of providing high-quality care to underserved
4 populations; and

5
6 WHEREAS, recent trends indicate that pharmaceutical
7 companies are intentionally undermining the purpose of the 340B
8 Program by imposing provisions that restrict the ability of 340B
9 hospitals to utilize contracted pharmacies for the distribution
10 of drugs under the 340B Program (340B drugs); and

11
12 WHEREAS, these restrictions jeopardize the ability of 340B
13 hospitals to effectively serve their patients and create
14 unnecessary barriers to accessing affordable medications; now,
15 therefore,

16
17 BE IT RESOLVED by the House of Representatives of the
18 Thirty-second Legislature of the State of Hawaii, Regular
19 Session of 2024, that the Department of Health is urged to
20 explore avenues to collaborate with 340B hospitals, community
21 pharmacies, and other stakeholders to ensure the continued
22 accessibility to affordable medications for underserved
23 populations in Hawaii; and

24
25 BE IT FURTHER RESOLVED that the Department of Health is
26 urged to work with pharmaceutical companies to ensure that the
27 companies uphold their commitment to patient access to
28 affordable pharmaceuticals by refraining from implementing
29 restrictions that undermine the ability of 340B hospitals to
30 serve their patients and communities; and

31
32 BE IT FURTHER RESOLVED that the Hawaii congressional
33 delegation and relevant federal agencies are urged to monitor
34 and address any instances of pharmaceutical company actions that
35 restrict access to 340B drugs and to take appropriate
36 legislative or regulatory action to protect the integrity of the
37 340B Program; and

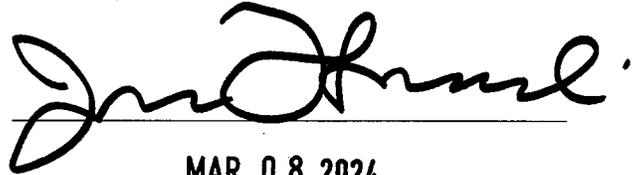

38
39 BE IT FURTHER RESOLVED that certified copies of this
40 Resolution be transmitted to the Director of Health, Hawaii's

H.R. NO. 166

1 congressional delegation, and Administrator of the Health
2 Resources and Services Administration.
