A BILL FOR AN ACT

RELATING TO DEPARTMENT OF EDUCATION FACILITIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 302A, Hawaii Revised Statutes, is
2 amended by adding a new section to part VI, subpart C, to be
3 appropriately designated and to read as follows:

4 "§302A- Asset preservation program. (a) There is
5 established within the school facilities authority an asset
6 preservation program. The purpose of the asset preservation
7 program shall be to require the department to maintain
8 facilities through a uniform program of specifications,
9 standards, and requirements to ensure performance
10 accountability, promote student health and safety by maintaining
11 and operating building systems to their design capacity,
12 maintain an encouraging learning environment, and extend
13 building life.

14 (b) The board shall adopt rules pursuant to chapter 91 for
15 uniform specifications, standards, and requirements for the
16 maintenance of facilities. The rules shall also include a

1 scoring system to be used in the facility condition assessment
2 to help evaluate and compare the condition of facilities.

3 (c) Each year, the school facilities authority shall
4 perform a facility condition assessment on each facility. The
5 facility condition assessment shall include a score calculated
6 according to the rules adopted by the board and a determination
7 of whether the facility has been maintained as required by the
8 rules adopted by the board. The facility condition assessments
9 shall be submitted to the board and superintendent no later than
10 June 30 of each year. The board and superintendent shall review
11 the facility condition assessments to verify whether each
12 facility is being properly maintained and to determine whether
13 additional funding for repairs or maintenance is necessary.

14 (d) Once every five years, each facility shall be
15 evaluated by a certified evaluator approved by the department of
16 accounting and general services. The certified evaluator shall
17 perform a facility condition evaluation and report the condition
18 to the board and superintendent. The board and superintendent
19 shall compare the facility condition evaluation with the
20 previous facility condition assessments for consistency and to
21 determine future repair and maintenance. The timing of facility

1 condition evaluations shall be staggered so that approximately
2 one-fifth of all facilities are evaluated each year.

3 (e) All facility condition assessments and facility
4 condition evaluations shall be accessible to the public on the
5 department's website."

6 SECTION 2. New statutory material is underscored.

7 SECTION 3. This Act shall take effect upon its approval.
