Honorable Scott K. Saiki Speaker, House of Representatives Thirty-Second State Legislature Regular Session of 2023 State of Hawaii

Sir:

Your Committee on Education, to which was referred H.B. No. 244 entitled:

"A BILL FOR AN ACT RELATING TO CAREER AND TECHNICAL EDUCATION,"

begs leave to report as follows:

The purpose of this measure is to establish and appropriate funds for a Career and Technical Education Working Group.

Your Committee received testimony in support of this measure from the Democratic Party of Hawai'i Education Caucus and one individual. Your Committee received comments on this measure from the Department of Education, Hawaii Teacher Standards Board, and Hawai'i P-20 Partnerships for Education.

Your Committee finds that career and technical education programs equip students with the skills necessary for in-demand jobs in the modern labor market. Career and technical education programs emphasize innovation in high-growth industries and provide students with opportunities to explore career pathways. Your Committee recognizes the importance of career and technical education and believes a working group is needed to explore ways to strengthen career and technical education in Hawaii's public school system.
