begs leave to report as follows:

The purpose of this measure is to request that the Women's Corrections Implementation Commission develop a strategy and make recommendations to reduce the number of women incarcerated at the Women's Community Correctional Center by twenty-five percent by 2029.

Your Committee received testimony in support of this measure from the Judiciary; Department of Corrections and Rehabilitation; Criminal Justice Research Institute; Tahirih Association BEYOND BARS Reentry Program; YWCA O'ahu; FilmWorks Pacific; and six individuals.

Your Committee finds that the State has failed to divert women from the criminal justice system and that the population of incarcerated women at the Women's Community Correctional Center has increased by nine hundred fifty percent since 1978. This measure requests that the Women's Corrections Implementation
