

STAND. COM. REP. NO. 1545-24

Honolulu, Hawaii

MAR 28, 2024

RE: H.C.R. No. 49

Honorable Scott K. Saiki  
Speaker, House of Representatives  
Thirty-Second State Legislature  
Regular Session of 2024  
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred  
H.C.R. No. 49 entitled:

"HOUSE CONCURRENT RESOLUTION REQUESTING THE CITY AND COUNTY  
OF HONOLULU TO CONDUCT A SIDEWALK FEASIBILITY STUDY ALONG  
KALIHI STREET FROM KAMANAIKI STREET TO KALIHI VALLEY PARK,"

begs leave to report as follows:

The purpose of this measure is to request the City and County  
of Honolulu to conduct a sidewalk feasibility study along Kalihi  
Street from Kamanaiki Street to Kalihi Valley Park.

Your Committee did not receive any written testimony on this  
measure.

Your Committee finds that because much of the infrastructure  
in Kalihi Valley was constructed before modern standards for road  
construction were developed, most of the upper portion of Kalihi  
Street lacks sidewalks. Your Committee further finds that because  
of the lack of sidewalks, there are many dangerous locations along  
Kalihi Street where pedestrians are required to walk in the street  
itself. This measure is intended to explore the feasibility of  
making significant improvements to Kalihi Street's sidewalks,  
including the removal of telephone poles in certain sections.

As affirmed by the record of votes of the members of your  
Committee on Transportation that is attached to this report, your

2024-2604 HCR49 HSCR HMSO

Committee concurs with the intent and purpose of H.C.R. No. 49 and recommends its adoption.

Respectfully submitted on  
behalf of the members of the  
Committee on Transportation,

  
\_\_\_\_\_  
For CHRIS TODD, Chair
