"A BILL FOR AN ACT RELATING TO ENERGY,"

begs leave to report as follows:

The purpose and intent of this measure is to require attestations or declarations to the Department of Business, Economic Development, and Tourism regarding project labor standards for certain large-scale renewable energy projects.

Your Committee received written comments in support of this measure from the Hawaii State Energy Office, Pacific Resource Partnership, Operating Engineers Local 3, and Hawaii Regional Council of Carpenters.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 3103, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as S.B. No. 3103, S.D. 2.

Respectfully submitted on  
behalf of the members of the
