

STAND. COM. REP. NO.

3557

Honolulu, Hawaii

APR 03 2024

RE: S.R. No. 133
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Second State Legislature
Regular Session of 2024
State of Hawaii

Sir:

Your Committee on Public Safety and Intergovernmental and Military Affairs, to which was referred S.R. No. 133 entitled:

"SENATE RESOLUTION URGING CONGRESS TO TAKE IMMEDIATE AND DECISIVE ACTION TO SUPPORT MIDDLE- AND LOWER-INCOME HOUSEHOLDS IN AMERICA,"

begs leave to report as follows:

The purpose and intent of this measure is to urge the United States Congress to take immediate and decisive action to support middle- and lower-income households in America.

Your Committee received no testimony on this measure.

Your Committee finds that the United States faces an ongoing crisis of inequality with middle- and lower-income households bearing the brunt of economic hardship. Your Committee further finds that despite being one of the wealthiest nations in the world, the United States ranks poorly in numerous health and social indicators, reflecting systemic failures in addressing the needs of its most vulnerable members of society. Your Committee concludes that it imperative for Congress to prioritize the wellbeing of all citizens and enact legislation that promotes fairness, justice, and opportunity for every individual.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Public Safety and Intergovernmental and Military Affairs that is attached to this report, your Committee concurs with the intent and purpose of S.R. No. 133, as amended herein, and recommends its adoption in the form attached hereto as S.R. No. 133, S.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Public Safety and
Intergovernmental and Military
Affairs,

GLENN WAKAI, Chair
