Department: EDN
Program ID(s): EDN 500
Name of Fund: Adult Education Special Fund
Legal Authority: Section 302A-435, HRS

Contact Name: Dan Miyamoto
Phone Number: 305-9701
Fund Type (MOF): Special
Appropriation Account Number: S-302-E

Intended Purpose:

To finance the adult and community education program in part through fees collected from students enrolled.

The community schools for adults are critical to address the needs of students to pursue skills and programs to obtain financial stability and reduce dependence on public assistance, all of which have an overall positive impact on the state. When these schools were reorganized in 2013, general funds were significantly reduced. At that time, the Legislature and Department allowed these schools to generate revenue to cover operational costs by allowing the collection of enrollment fees. Funds from the non-general funds for adult education support administration of the high school equivalency testing program, equipment and other learning supports, office operations, and other expenses not covered by federal funds or provided for through the State budget.

The Department takes seriously its responsibility as a fund manager to ensure the longevity and sustainability of funds. Maintaining a positive cash balance through prudent, effective management ensures that we may continue to serve the needs of our target and often vulnerable populations. The fund is important as it provides a dedicated source of predictable and stable funding necessary to address these needs.

Source of Revenues:

Revenues are from the Adult Education student tuition for special interest classes, GED test fees, and investment pool earnings.

Current Program Activities/Allowable Expenses:

Allowable expenses include the salaries of part-time teachers, administrative costs, and all other expenses.

Variances:

Variances are attributed to the changes in student enrollment numbers.

Department: EDN
Program ID(s): EDN 400
Name of Fund: Donations - Facilities
Legal Authority: Section 302A-1122, HRS

Contact Name: Tracy Okumura
Phone Number: 784-5000
Fund Type (MOF): Trust
Appropriation Account Number: T-903-E

Intended Purpose:

This fund was established in 2017 to account for donations made to schools for facility purposes.

The Department takes seriously its responsibility as a fund manager to ensure the longevity and sustainability of funds. Maintaining a positive cash balance through prudent, effective management ensures that we may continue to serve the needs of our target and often vulnerable populations. The fund is important as it provides a dedicated source of predictable and stable funding necessary to address these needs.

Source of Revenues:

Payments of fair-share cash contributions and school impact fees. The amount of revenue collected is dependent upon the number of new residential building permits issued within the year, as well as upon the sale of residential units within the year, for projects that have executed an agreement with the Department. The Department and developer have agreed that payment of the school impact fee will occur at the sale of a residential unit.

Current Program Activities/Allowable Expenses:

School Impact Fee and Fair Share Programs: both school impact fees and fair share contributions are used to increase student capacity through land acquisition or facility construction. School impact fees can only be expended within the school impact fee district in which it was collected. Fair share contributions can only be expended within the high school complex in which it was collected.

Variances:

Authority for this account has been transferred to the School Facilities Authority:

- Act 217, SLH 2021, requires the deposit of any donations received by the Department related to new, or major renovations of, school facilities into a fund administered by the School Facilities Authority.
- Revenues for the T-903 account come from school impact fees, and Act 217, SLH 2021 (including sections 15 and 16), also required the transfer of all things related to school impact fees to the School Facilities Authority.

For the years prior:

- The significant increase in FY 2020 revenue reflects the transfer of school impact fees and fair share contributions into this account.
- The decrease in FY 2021 revenues reflects a decrease in the number of residential dwelling units, subject to impact fees or fair share contributions, from the previous year.

Department: EDN
Program ID(s): EDN 100
Name of Fund: Athletic Trust Fund
Legal Authority: Section 302A-1122, HRS

Contact Name: Raymond Fujino
Phone Number: 421-4394
Fund Type (MOF): Trust
Appropriation Account Number: T-915-E

Intended Purpose:

This fund was established 30 years ago to account for funds collected from athletic event-related activities. All monies in the fund are given directly to the schools.

The Department takes seriously its responsibility as a fund manager to ensure the longevity and sustainability of funds. Maintaining a positive cash balance through prudent, effective management ensures that we may continue to serve the needs of our target and often vulnerable populations. The fund is important as it provides a dedicated source of predictable and stable funding necessary to address these needs.

Source of Revenues:

Revenues are from athletic event admission fees, league shares, activity book sales, and donations.

Current Program Activities/Allowable Expenses:

Allowable expenses are for school athletic programs. Funds are expended for supplies, equipment, travel, and other sports program expenses.

Variances:

In FY2021 and at least part of FY 2022 due to the COVID-19 pandemic, athletic events were held without generating revenue from admission fees. Variance in expenditures was also due to no fall and winter interscholastic athletics in FY 2021.

In FY 2023, revenues approached pre-pandemic levels as activities resumed. Revenues for future years are anticipated to be higher as admission prices for events have increased.

Name of Fund: OLELO - Educational Program Public TV
Legal Authority: Section 302A-1122, HRS

Contact Name: Nanea Kalani
Phone Number: 784-6200
Fund Type (MOF): Trust
Appropriation Account Number: T-916-E

Intended Purpose:

This fund was established in 1992 to account for funds received under contract with Olelo: The Corporation for Community Television.

The Department takes seriously its responsibility as a fund manager to ensure the longevity and sustainability of funds. Maintaining a positive cash balance through prudent, effective management ensures that we continue to serve the needs of our target and often vulnerable populations. The fund is important as it provides a dedicated source of predictable and stable funding necessary to address these needs.

Source of Revenues:

Funds are received from the Hawaii Educational Networking Consortium (HENC). HENC receives its funding from a percentage of the franchise fees assessed on all Cable TV (CATV) subscriptions in Hawaii. This funding is used to support the University of Hawaii, the Department, Hawaii Association of Independent Schools, and Hawaii Schools Digital Media Grants, as well as to identify and seek additional resources at federal, state, corporate, and foundation levels to support enhanced use of information and telecommunication systems and services in education.

Current Program Activities/Allowable Expenses:

HENC funding is provided to the Department's Communications Branch/Video Production Section to cover costs related to salaries and the provision of accredited educational services and programs, including but not limited to distance learning, credit and non-credit courses, arts and humanities programs, life-long learning programs, and lower and higher education programming access for the benefit of students, Department employees, and the broader community. It also includes expenses for the Akaku Maui Community Television program. The program falls under the Video Production Section/Communications Branch, which manages digital cable channel 356 on Spectrum and Hawaiian Telcom cable networks, providing access to educational content on all islands 24 hours a day, 7 days a week.

Variances:

Revenues are a percentage of the franchise fees assessed on all Cable TV (CATV) subscriptions in Hawaii. Any increase or decrease in CATV subscribers will result in yearly variances.
