RELATING TO THE DEPARTMENT OF
ACCOUNTING AND GENERAL SERVICES.
ACT 140

Sincerely,

Josh Green, M.D.
Governor, State of Hawai'i

A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF ACCOUNTING AND GENERAL SERVICES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 26-6, Hawaii Revised Statutes, is
2 amended by amending subsection (b) to read as follows:

3 "(b) The department shall:

4 (1) Preaudit and conduct after-the-fact audits of the
5 financial accounts of all state departments to
6 determine the legality of expenditures and the
7 accuracy of accounts;

8 (2) Report to the governor and to each regular session of
9 the legislature as to the finances of each department
10 of the State;

11 (3) Administer the state risk management program;

12 (4) Establish and manage motor pools;

13 (5) Manage the preservation and disposal of all records of
14 the State;

15 (6) Undertake the program of centralized engineering and

- 4 (8) Establish accounting and internal control systems;
- 5 (9) [~~Under the direction of the chief information officer,~~
6 ~~provide~~] Provide centralized computer information
7 management and processing services[+] through the
8 chief information officer;
- 9 (10) Establish a program to provide a means for public
10 access to public information and develop an
11 information network for state government;
- 12 (11) Assume administrative responsibility for the office of
13 information practices; and
- 14 (12) Approve state fleet acquisitions; provided that:
- 15 (A) Beginning January 1, 2022, all new light-duty
16 motor vehicles that are passenger cars purchased
17 for the State's fleet shall be zero-emission
18 vehicles;
- 19 (B) Beginning as soon as practicable but no later
20 than January 1, 2030, all new light-duty motor
21 vehicles that are multipurpose passenger vehicles

1 and trucks for the State's fleet shall be zero-
2 emission vehicles; and

3 (C) The comptroller may authorize an exemption for
4 new fleet vehicle purchases if zero-emission
5 vehicles are demonstrated to be cost-prohibitive
6 on a lifecycle basis or unsuitable for the
7 vehicles' planned purpose, or if funds are
8 unavailable.

9 For the purposes of this subsection:

10 "Light-duty motor vehicle" [~~shall have~~] has the same
11 meaning as [~~contained~~] defined in title 10 Code [~~+~~]of[~~+~~] Federal
12 Regulations part 490.

2 as [~~contained~~] specified in title 40 Code of Federal Regulations
3 section [~~88.102-94.~~] 88.1."

4 SECTION 2. Section 27-43, Hawaii Revised Statutes, is
5 amended to read as follows:

6 "**§27-43 Office of enterprise technology services; chief**
7 **information officer; information technology steering committee;**
8 **establishment; responsibilities.** (a) There is established
9 within the department of accounting and general services the
10 office of enterprise technology services, which shall be headed
11 by a full-time chief information officer to organize, manage,
12 and oversee statewide information technology governance. The
13 chief information officer shall be appointed by the governor as
14 provided in section 26-34. The chief information officer shall
15 report [~~directly~~] to the [~~governor~~] comptroller and shall:

- 16 (1) Develop, implement, and manage statewide information
17 technology governance;
- 18 (2) Develop, implement, and manage the state information
19 technology strategic plans;
- 20 (3) Develop and implement statewide technology standards;

- 1 (4) Work with each executive branch department and agency
2 to develop and maintain its respective multi-year
3 information technology strategic and tactical plans
4 and road maps that are part of the State's overall
5 information technology strategic plans, road maps, and
6 directions;
- 7 (5) Coordinate each executive branch department and
8 agency's information technology budget request,
9 forecast, and procurement purchase to ensure
10 compliance with the department or agency's strategic
11 plan and road map and with the office of enterprise
12 technology services' information technology governance
13 processes and enterprise architecture policies and
14 standards, including policies and standards for
15 systems, services, hardware, software, and security
16 management;
- 17 (6) Report annually to the governor and the legislature on
18 the status and implementation of the state information
19 technology strategic plan;
- 20 (7) Update the state information technology strategic plan
21 every four years;

- 1 (8) Perform other necessary or desirable functions to
2 facilitate the intent of this section;
- 3 (9) Employ persons exempt from chapters 76 and 89;
- 4 (10) Provide centralized computer information management
5 and processing services, coordination in the use of
6 all information processing equipment, software,
7 facilities, and services in the executive branch of
8 the State, and consultation and support services in
9 the use of information processing and management
10 technologies to improve the efficiency, effectiveness,
11 and productivity of state government programs;
- 12 (11) Establish, coordinate, and manage a program to provide
13 a means for public access to public information and
14 develop and operate an information network in
15 conjunction with overall plans for establishing a
16 communication backbone for state government; and
- 17 (12) Adopt rules, pursuant to chapter 91, necessary for the
18 purposes of this part.
- 19 (b) The salary of the chief information officer shall be
20 established by the governor.

1 [~~(b)~~] (c) There is established an information technology
2 steering committee to assist the chief information officer in
3 developing the State's information technology standards and
4 policies, including but not limited to:

5 (1) Assisting the chief information officer in developing
6 and implementing the state information technology
7 strategic plans;

8 (2) Assessing executive branch departments' progress in
9 meeting the objectives defined in the state
10 information technology strategic plans and identifying
11 best practices for shared or consolidated services;

12 (3) Ensuring technology projects are selected based on
13 their potential impact and risk to the State, as well
14 as their strategic value;

15 (4) Ensuring that executive branch departments maintain
16 sufficient tools to assess the value and benefits of
17 technology initiatives;

18 (5) Assisting the chief information officer in developing
19 state information technology standards and policies;
20 and

1 (6) Clarifying the roles, responsibilities, and authority
2 of the office of enterprise technology services,
3 specifically as it relates to its statewide duties.

4 The information technology steering committee shall consist
5 of thirteen members, with four members to be appointed by the
6 senate president, four members to be appointed by the speaker of
7 the house of representatives, one member to be appointed by the
8 chief justice, one member to be appointed by the governor, one
9 member to be appointed by the superintendent of education, and
10 one member to be appointed by the president of the [University]
11 university of Hawaii, and may include representatives from
12 executive branch departments, the legislature, and private
13 individuals. The chief information officer shall serve as an ex
14 officio member and as the chair of the committee. The committee
15 shall select a vice chair from among its members. Each member
16 shall be appointed for four-year terms; provided that each
17 member shall hold office until reappointed by the member's
18 respective appointing authority at the end of the member's term
19 or until the member's successor is appointed.

20 [~~e~~] (d) There is established within the department of
21 accounting and general services a special fund to be known as

1 the shared services technology special fund to be administered
2 and expended by the chief information officer for the purposes
3 of this subsection. Three per cent of the receipts collected
4 from special funds pursuant to section 36-27 shall be deposited
5 into the shared services technology special fund. Any law to
6 the contrary notwithstanding, the moneys in the fund shall be
7 used to fund the operations of the chief information officer and
8 the information technology steering committee, including the
9 employment and training of staff and any other activities deemed
10 necessary by the chief information officer to carry out the
11 purposes of this section.

12 [~~(d)~~] (e) The chief information officer and the
13 comptroller may raise funds to defray administrative costs and
14 may accept donations of money and personal property on behalf of
15 the information technology steering committee; provided that all
16 donations accepted from private sources shall be expended in the
17 manner prescribed by the contributor, and all moneys received
18 shall be deposited into the information technology trust
19 account. The chief information officer may also directly
20 receive donated personal services and personal property for
21 which funding is not required.

1 [~~e~~] (f) The chief information officer shall present an
2 annual report of the office of enterprise technology services to
3 the information technology steering committee for public comment
4 and shall thereafter, but no later than twenty days prior to the
5 convening of each regular session of the legislature, submit the
6 annual report to the governor and legislature. The annual
7 report shall include updates on the activities and programs
8 under the authority of the chief information officer and the
9 information technology steering committee, and the expenditures
10 of all moneys received from all sources and deposited into the
11 information technology trust account and the shared services
12 technology special fund.

13 [~~f~~] (g) The chief information officer shall submit the
14 updated state information technology strategic plan, revised
15 pursuant to subsection (a)(7), to the governor and the
16 legislature no later than twenty days prior to the convening of
17 every fourth regular session of the legislature; provided that
18 the chief information officer shall submit the first updated
19 state information technology strategic plan to the governor and
20 the legislature no later than twenty days prior to the convening
21 of the regular session of 2021."

1 SECTION 3. Statutory material to be repealed is bracketed
2 and stricken. New statutory material is underscored.

3 SECTION 4. This Act shall take effect upon its approval.
