Aloha Senate President Kouchi and Speaker Saiki:

In a transmittal letter to the Legislature, dated March 1, 2024, recommending the immediate passage of Senate Bill No. 582, S.D. 2, Relating to State Budget, there was a typographical error. This letter is to correct the error.

The March 1, 2024 letter summarized proposed provisions to be included in the bill for the Legislature's consideration, including the repeal of the general obligation bond appropriation for Other Post-Employment Benefits Trust Fund originally made in Act 247, SLH 2022. However, that summary incorrectly stated the appropriation amount as \$350,000,000, not the correct amount of \$300,000,000. Please note that the proposed language attached to the letter does repeal the correct appropriation amount of \$300,000,000.

Your consideration of this request is appreciated.

Mahalo,

Josh Green, M.D.
Governor, State of Hawai'i
