
A BILL FOR AN ACT

RELATING TO PUBLIC NOTICE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that posting notices
2 electronically is more expedient and cost-effective than
3 publishing notices on paper, particularly for routine but
4 time-sensitive situations. Clean water environmental hazard
5 advisories and urgent conditions like disaster-related response
6 and recovery activities may be posted more effectively online
7 than in print.

8 Accordingly, the purpose of this Act is to provide
9 government agencies the option to publish notices via a posting
10 on the agency's official website, in lieu of or in addition to
11 publishing in a daily or weekly publication such as a printed
12 newspaper.

13 However, the legislature affirms that under general rules
14 of statutory construction, where two statutes conflict, the more
15 specific statute is followed. As a result, since section
16 1-28.5, Hawaii Revised Statutes, is a general statute, this Act
17 is not intended to supersede procedures that, for example,

1 assure transparency in public administration such as chapters 91
2 and 92, Hawaii Revised Statutes.

3 SECTION 2. Section 1-28.5, Hawaii Revised Statutes, is
4 amended by amending subsection (a) to read as follows:

5 "(a) Notwithstanding any other statute, law, charter
6 provision, ordinance, or rule to the contrary, whenever a
7 government agency is required to give public notice or to
8 publish notice, the notice shall be given only as follows:

9 (1) For statewide publication:

10 (A) In a daily or weekly publication of statewide
11 circulation; or

12 (B) By publication in separate daily or weekly
13 publications whose combined circulation is
14 statewide; [~~and~~]

15 (2) For county-wide publication, by publication in a daily
16 or weekly publication in the affected county[~~-~~

17 ~~Additional supplemental notice may also be given through Hawaii~~
18 ~~FYI, the State's interactive computer system.]; or~~

19 (3) For either statewide or county publication, as
20 applicable, by posting on an electronic calendar on an

1 official website for legal notices maintained by the
2 State or appropriate county."

3 SECTION 3. Statutory material to be repealed is bracketed
4 and stricken. New statutory material is underscored.

5 SECTION 4. This Act shall take effect upon its approval.
