
A BILL FOR AN ACT

RELATING TO INCARCERATED WOMEN.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that in August 2021,
2 Hawaii Friends of Restorative Justice was awarded \$250,000 from
3 the governor's emergency education relief fund. The moneys were
4 part of more than \$8,000,000 allocated to the State for purposes
5 of education through the federal Coronavirus Response and Relief
6 Supplemental Appropriations Act and Coronavirus Aid, Relief, and
7 Economic Security Act. The award funded the first year of an
8 education and reentry program for incarcerated women developed
9 and administered by Hawaii Friends of Restorative Justice, in
10 partnership with the women's community correctional center,
11 windward community college, the university of Hawaii at Manoa,
12 and McKinley community school for adults. The goals of the
13 program are to train incarcerated women to be general education
14 development tutors for their peers, provide college
15 correspondence courses for women incarcerated at the women's
16 community correctional center, and provide reentry and

1 transition services for women who wish to continue their
2 education after release from incarceration.

3 The legislature further finds that in 2022, the legislature
4 attempted to fund the second year of the pilot program by making
5 a \$200,000 appropriation to McKinley community school for
6 adults. However, McKinley community school did not develop and
7 does not directly administer the program. As of November 1,
8 2022, the appropriated moneys had not been distributed. Hawaii
9 Friends of Restorative Justice has continued to administer the
10 program through a private donation while awaiting access to the
11 appropriated state funding.

12 The legislature recognizes that the program has been
13 successful at assisting incarcerated women to achieve their
14 educational goals and has increased passage rates for the
15 general educational development test. In ten months, the
16 program assisted twenty women who were incarcerated at the
17 women's community correctional center in obtaining general
18 educational development certifications. Prior to the program,
19 approximately two women per year who were incarcerated in the
20 same facility passed the test.

21 Accordingly, the purpose of this Act is to:

1 (1) Require the McKinley community school for adults to
2 work with Hawaii Friends of Restorative Justice to
3 provide counseling services for incarcerated women
4 participating in the education and reentry program for
5 incarcerated women that is developed and administered
6 by Hawaii Friends of Restorative Justice; and

7 (2) Appropriate moneys for the education and reentry
8 program for incarcerated women that is developed and
9 administered by Hawaii Friends of Restorative Justice.

10 SECTION 2. The McKinley community school for adults shall
11 work with Hawaii Friends of Restorative Justice to provide
12 counseling services for incarcerated women participating in the
13 education and reentry program for incarcerated women that is
14 developed and administered by Hawaii Friends of Restorative
15 Justice.

16 SECTION 3. There is appropriated out of the general
17 revenues of the State of Hawaii the sum of \$ or so
18 much thereof as may be necessary for fiscal year 2023–2024 as a
19 grant pursuant to chapter 42F, Hawaii Revised Statutes, to
20 Hawaii Friends of Restorative Justice to continue administering
21 the education and reentry program for incarcerated women.

1 The sum appropriated shall be expended by the university of
2 Hawaii Windward community college for the purposes of this Act;
3 provided that the university of Hawaii Windward community
4 college may award grants to private entities to achieve the
5 purposes of this Act; provided further that:

6 (1) Any grant shall be used exclusively for the purposes
7 of an education and reentry program for incarcerated
8 women;

9 (2) A grant applicant shall indicate capability to
10 properly use the grant for purposes consistent with
11 the education and reentry program for incarcerated
12 women;

13 (3) A grant applicant shall comply with all applicable
14 federal and state laws prohibiting discrimination
15 against any person on the basis of race, color,
16 national origin, religion, creed, sex, age, sexual
17 orientation, disability, or any other characteristic
18 protected under applicable federal or state law;

19 (4) A grant shall not be used for purposes of providing
20 entertainment or perquisites;

1 (5) A grant applicant shall comply with other requirements
2 as the university of Hawaii may prescribe;

3 (6) All activities undertaken using grant funds received
4 shall comply with all applicable federal, state, and
5 county statutes and ordinances;

6 (7) A grant applicant shall indemnify and hold harmless
7 the State of Hawaii and its officers, agents, and
8 employees from and against any and all claims arising
9 out of or resulting from activities carried out, or
10 projects undertaken, using grant funds provided under
11 this Act, and shall procure sufficient insurance to
12 provide this indemnification if requested to do so by
13 the university of Hawaii; and

14 (8) A grant applicant shall agree to make available to the
15 university of Hawaii all records the applicant may
16 have relating to the grant, to allow state agencies to
17 monitor the applicant's compliance with this section.

18 SECTION 4. This Act shall take effect on July 1, 2050.
