# A BILL FOR AN ACT

RELATING TO MENTAL HEALTH.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that mental health  
2 conditions are treated in various ways, depending on the  
3 condition, and can include medication, therapy, and psychosocial  
4 services. Congress, through the Breakthrough Therapies Act, and  
5 the Food and Drug Administration has indicated that 3,4-  
6 methylenedioxymethamphetamine, commonly known as MDMA, and  
7 psilocybin will be rescheduled to enable therapeutic use. MDMA  
8 and psilocybin have already been granted the Food and Drug  
9 Administration's breakthrough therapy designation to fast-track  
10 research and potential approval given efficacy in treating  
11 treatment-resistant depression and post-traumatic stress  
12 disorder. These treatments, while effective for certain  
13 conditions and patients, do not treat all mental health  
14 conditions. However, research supports the effectiveness of  
15 natural and alternative medicines and therapies, such as the use  
16 of MDMA, psilocybin, and other therapies, as a safe and  
17 effective way to potentially treat depression, post-traumatic

1 stress disorder, addiction, end-of-life psychological distress,  
2 and other afflictions.

3 The legislature further finds that the department of health  
4 should be empowered to review relevant laws, regulations, and  
5 studies each time a breakthrough therapy designation is issued  
6 to review any new treatment intended for mental health or  
7 substance abuse to prepare the State for the treatment's  
8 eventual approval by the federal Food and Drug Administration.

9 The purpose of this Act is to authorize the director of  
10 health to establish a temporary breakthrough therapy  
11 designations advisory council within three months of a  
12 breakthrough therapy designation approval by the Food and Drug  
13 Administration.

14 SECTION 2. Chapter 321, Hawaii Revised Statutes, is  
15 amended by adding a new section to part I to be appropriately  
16 designated and to read as follows:

17 **"§321- Temporary breakthrough therapy designation**  
18 **advisory council.** (a) The director of health may establish a  
19 temporary breakthrough therapy designation advisory council to  
20 assess a breakthrough therapy designation for a mental health or  
21 substance abuse treatment within three months of a breakthrough

1 therapy designation approval by the United States Food and Drug  
2 Administration. The advisory council is established within the  
3 department of health for administrative purposes only.

4 (b) The advisory council shall consist of the following  
5 members or their designees:

6 (1) The director of health, who shall serve as the  
7 chairperson of the advisory council;

8 (2) The attorney general;

9 (3) The director of law enforcement;

10 (4) The chairpersons of the standing committees within the  
11 senate and house of representatives with primary  
12 jurisdiction over health;

13 (5) A physician who is duly licensed pursuant to chapter  
14 453 or an advanced practice registered nurse who is  
15 authorized to prescribe psychotropic medication and is  
16 duly licensed pursuant to chapter 457; and

17 (6) Other members as recommended by the director of  
18 health, president of the senate, or speaker of the  
19 house of representatives, who represent relevant  
20 community, advocacy, or stakeholder interests.

1        (c) Members shall serve without compensation, but may be  
2 reimbursed for necessary expenses, including reasonable travel  
3 expenses, incurred in the performance of their duties.

4        (d) The advisory council shall:

5        (1) Examine federal and state laws, regulations,  
6 administrative rules, and community practices  
7 regarding the treatment of mental health or substance  
8 abuse conditions for which the breakthrough therapy  
9 designation applies;

10       (2) Examine available clinical and scientific studies,  
11 research, and other information relating to the safety  
12 and efficacy of methods to treat mental health or  
13 substance abuse conditions for which the breakthrough  
14 therapy designation applies;

15       (3) Examine requirements, specifications, and guidelines  
16 for a health care professional to prescribe and  
17 provide various treatments for patients who may  
18 benefit; and

19       (4) Submit a report of its findings and recommendations,  
20 including any proposed legislation, to the legislature

1           no later than one year after the advisory council is  
2           convened.

3           (e) The advisory council may convene as necessary but  
4           shall terminate upon the withdrawal of the breakthrough therapy  
5           designation or final approval by the United States Food and Drug  
6           Administration.

7           (f) As used in this section, "breakthrough therapy  
8           designation" means a designation by the United States Food and  
9           Drug Administration, pursuant to the Food and Drug  
10          Administration Safety and Innovation Act (P.L. 112-144)."

11          SECTION 3. New statutory material is underscored.

12          SECTION 4. This Act shall take effect on June 30, 3000.

**Report Title:**

Temporary Breakthrough Therapy Designation Advisory Council;  
DOH; Mental Health

**Description:**

Authorizes the director of health to establish a temporary breakthrough therapy designation advisory council within three months of a breakthrough therapy designation approval by the United States Food and Drug Administration. Effective 6/30/3000. (HD2)
