
A BILL FOR AN ACT

RELATING TO LUNG CANCER.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that, according to the
2 federal Centers for Disease Control and Prevention, lung cancer
3 is the leading cause of cancer deaths for men and women in the
4 United States and according to a recent report from the American
5 Lung Association, it is the leading cause of cancer death for
6 men and women in Hawaii. The report also ranks Hawaii last in
7 the nation for the early diagnosis of lung cancer.

8 The legislature further finds that Act 162, Session Laws of
9 Hawaii 2022 (Act 162), established the early lung cancer
10 screening task force within the department of health to research
11 the steps and resources necessary to increase early lung cancer
12 screening in Hawaii. The department of health submitted a
13 January 2023 progress report to the legislature, wherein it
14 indicated that the initial meeting of the task force has been
15 delayed due to changes in leadership in various state and county
16 departments. The task force is projected to be ready for its

1 initial meeting by the end of February 2023; however, the task
2 force is currently set to sunset July 31, 2023.

3 Accordingly, the purpose of this Act is to amend Act 162 to
4 provide the early lung cancer screening task force more time to
5 submit reports to the legislature and ensure the task force can
6 meet in perpetuity as needed to address and reduce the impact
7 lung cancer has on the State's diverse population.

8 SECTION 2. Act 162, Session Laws of Hawaii 2022, section
9 2, is amended as follows:

10 1. By amending subsection (c) to read:

11 "(c) The chairperson of the task force shall invite the
12 following individuals to become members of the task force:

13 (1) A representative from the United States Department of
14 Veterans Affairs;

15 (2) A representative from each health insurer operating in
16 the State, including TRICARE;

17 (3) A representative from each health care system
18 operating in the State, including but not limited to
19 The Queen's Health Systems, Hawaii Pacific Health,
20 Kaiser Permanente Hawaii, federally qualified health

1 centers, Native Hawaiian health centers, and Tripler
2 Army Medical Center;

3 (4) A representative from the American Lung Association;

4 (5) A representative from [~~the American Cancer Society;~~]
5 an organization that offers services to cancer
6 patients and their families;

7 (6) A representative from the Hawaii Primary Care
8 Association;

9 (7) At least one representative from an organization
10 representing health care providers with relevant
11 expertise on lung cancer screening; and

12 (8) Any other members, including representatives from
13 state agencies, stakeholders, or advocates, as
14 recommended by a majority of the task force."

15 2. By amending subsections (h), (i), and (j) to read:

16 "(h) The task force shall submit [~~an~~] interim [~~report~~]
17 reports of its findings and recommendations, including any
18 proposed legislation, to the legislature no later than twenty
19 days prior to the convening of the regular [~~session~~] sessions of
20 2023[~~-~~], 2024, and 2025.

1 (i) The task force shall submit a final report of its
2 findings and recommendations, including any proposed
3 legislation, to the legislature no later than July 31, [~~2023.~~]
4 2025. The report shall include:

- 5 (1) An analysis of the costs associated with early lung
6 cancer screening;
- 7 (2) A list of qualified facilities in the State that
8 perform lung cancer screenings;
- 9 (3) Protocols for health care providers and health care
10 systems to identify populations at high risk for lung
11 cancer;
- 12 (4) An explanation of how health care providers are made
13 aware of available insurance coverage for early lung
14 cancer screenings;
- 15 (5) Copies of guidelines used by health insurance
16 providers to determine coverage for early lung cancer
17 screening;
- 18 (6) A discussion of cultural and social barriers
19 associated with lung cancer screenings;
- 20 (7) Policy recommendations for increasing early lung
21 cancer screenings; and

1 (8) A work plan that identifies the steps needed in the
2 next five years to increase lung cancer screenings in
3 the State.

4 (j) The task force shall cease to exist on [~~July 31,~~
5 ~~2023.~~] July 31, 2025."

6 SECTION 3. There is appropriated out of the general
7 revenues of the State of Hawaii the sum of \$ or so
8 much thereof as may be necessary for fiscal year 2023-2024 for
9 the early lung cancer screening task force established pursuant
10 to Act 162, Session Laws of Hawaii 2022, to carry out its work.

11 The sums appropriated shall be expended by the department
12 of health for the purposes of this Act.

13 SECTION 4. This Act shall take effect on June 30, 3000.
