RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

11 SECTION 2. (a) The department of education shall develop
12 and implement a school meal subsidy program for students
13 attending department schools.

14 (b) The school meal subsidy program shall target children
15 whose families are not otherwise eligible for free lunch under
16 the free and reduced price lunch program administered by the
17 department of education's school food services branch and that

1 meet the income eligibility participation requirements
2 established by the department of education pursuant to
3 subsection (c).

4 (c) The department of education shall adopt rules pursuant
5 to chapter 91, Hawaii Revised Statutes, to carry out the
6 purposes of the school meal subsidy program established by this
7 Act, including but not limited to income eligibility
8 participation requirements and maximum amount of the subsidy
9 offered by the program.

10 SECTION 3. There is appropriated out of the general
11 revenues of the State of Hawaii the sum of \$ or so
12 much thereof as may be necessary for fiscal year 2023-2024 and
13 the same sum or so much thereof as may be necessary for fiscal
14 year 2024-2025 to develop and implement the school meal subsidy
15 program established by this Act.

16 The sums appropriated shall be expended by the department
17 of education for the purposes of this Act.

18 SECTION 4. This Act shall take effect on July 1, 2023.
