20	risks to	the rights of consumers associated with the processing,		
21	as mitiga	ted by safeguards that can be employed by the		

- 1 controller to reduce the risks. The use of de-identified data
- 2 and the reasonable expectations of consumers, as well as the
- 3 context of the processing and the relationship between the
- 4 controller and the consumer whose personal data is processed,
- 5 shall be factored into this assessment by the controller.
- 6 (d) The department may request, pursuant to a civil
- 7 investigative demand, that a controller disclose any data
- 8 protection assessment that is relevant to an investigation
- 9 conducted by the department, and the controller shall make the
- 10 data protection assessment available to the department. The
- 11 department may evaluate the data protection assessment for
- 12 compliance with the responsibilities set forth in section -4
- 13 Data protection assessments shall be confidential and exempt
- 14 from public inspection and copying under chapter 92F. The
- 15 disclosure of a data protection assessment pursuant to a request
- 16 from the department shall not constitute a waiver of attorney-
- 17 client privilege or work product protection with respect to the
- 18 assessment and any information contained in the assessment.
- (e) A single data protection assessment may address a
- 20 comparable set of processing operations that include similar
- 21 activities.

1	(f)	Data protection assessments conducted by a controller
2	for the p	urpose of compliance with other laws may comply under
3	this sect	ion if the assessments have a reasonably comparable
4	scope and	effect.
5	\$	-7 Processing de-identified data; exemptions. (a)
6	The contr	oller in possession of de-identified data shall:
7	(1)	Take reasonable measures to ensure that the data
8		cannot be associated with a natural person;
9	(2)	Publicly commit to maintaining and using de-identified
10		data without attempting to re-identify the data; and
11	(3)	Contractually obligate any recipients of the
12		de-identified data to comply with all provisions of
13		this chapter.
14	(b)	Nothing in this chapter shall be construed to require
15	a control	ler or processor to:
16	(1)	Re-identify de-identified data or pseudonymous data;
17		or
18	(2)	Maintain data in identifiable form, or collect,
19		obtain, retain, or access any data or technology, in
20		order to be capable of associating an authenticated
21		consumer request with personal data.

1	(C)	Nothing in this chapter shall be construed to require
2	a control	ler or processor to comply with an authenticated
3	consumer	rights request pursuant to section -3 if all of the
4	following	are true:
5	(1)	The controller is not reasonably capable of
6		associating the request with the personal data or it
7		would be unreasonably burdensome for the controller to
8		associate the request with the personal data;
9	(2)	The controller does not use the personal data to
10		recognize or respond to the specific consumer who is
11		the subject of the personal data, or associate the
12		personal data with other personal data about the same
13		specific consumer; and
14	(3)	The controller does not sell the personal data to any
15		third party or otherwise voluntarily disclose the
16		personal data to any third party other than a
17		processor, except as otherwise permitted in this
18		section.
19	(d)	The consumer rights specified in section $-3(a)(1)$
20	to (4) an	d section -4 shall not apply to pseudonymous data in
21	cases in	which the controller is able to demonstrate that any

- 1 information necessary to identify the consumer is kept
- 2 separately and is subject to effective technical and
- 3 organizational controls that prevent the controller from
- 4 accessing the information.
- 5 (e) A controller that discloses pseudonymous data or
- 6 de-identified data shall exercise reasonable oversight to
- 7 monitor compliance with any contractual commitments to which the
- 8 pseudonymous data or de-identified data is subject and shall
- 9 take appropriate steps to address any breaches of those
- 10 contractual commitments.
- 11 § -8 Limitations. (a) Nothing in this chapter shall be
- 12 construed to restrict a controller's or processor's ability to:
- (1) Comply with federal, state, or local laws, rules, or
- 14 regulations;
- 15 (2) Comply with a civil, criminal, or regulatory inquiry,
- investigation, subpoena, or summons by federal, state,
- 18 (3) Cooperate with law enforcement agencies concerning
- 19 conduct or activity that the controller or processor
- 20 reasonably and in good faith believes may violate
- 21 federal, state, or county laws, rules, or regulations;

1	(4)	Investigate, establish, exercise, prepare for, or
2		defend legal claims;
3	(5)	Provide a product or service specifically requested by
4		a consumer; perform a contract to which the consumer
5		is a party, including fulfilling the terms of a
6		written warranty; or take steps at the request of the
7		consumer before entering into a contract;
8	(6)	Take immediate steps to protect an interest that is
9		essential for the life or physical safety of the
10		consumer or another natural person, where the
11		processing cannot be manifestly based on another legal
12		basis;
13	(7)	Prevent, detect, protect against, or respond to
14		security incidents, identity theft, fraud, harassment,
15		malicious or deceptive activities, or any illegal
16		activity; preserve the integrity or security of
17		systems; or investigate, report, or prosecute the
18		entities responsible for any of those actions;
19	(8)	Engage in public or peer-reviewed scientific or
20		statistical research in the public interest that
21		adheres to all other applicable ethics and privacy

1		laws and	is approved, monitored, and governed by an
2		independe	ent oversight entity that determines:
3		(A) If	the deletion of the information is likely to
4		prov	vide substantial benefits that do not
5		exc	lusively accrue to the controller;
6		(B) The	expected benefits of the research outweigh
7		the	privacy risks; and
8		(C) If t	the controller has implemented reasonable
9		safe	eguards to mitigate privacy risks associated
10		with	n research, including any risks associated
11		with	n reidentification; or
12	(9)	Assist an	nother controller, processor, or third party
13		with any	of the obligations under this subsection.
14	(b)	The obliq	gations imposed on controllers or processors
15	under thi	s chapter	shall not restrict a controller's or
16	processor	's ability	y to collect, use, or retain data to:
17	(1)	Conduct :	internal research to develop, improve, or
18		repair p	roducts, services, or technology;
19	(2)	Effectuat	te a product recall;
20	(3)	Identify	and repair technical errors that impair
21		existing	or intended functionality: or

1	(4)	Perform internal operations that are reasonably
2		aligned with the expectations of the consumer,
3		reasonably anticipated based on the consumer's
4		existing relationship with the controller, or
5		otherwise compatible with processing data in
6		furtherance of the provision of a product or service
7		specifically requested by a consumer or the
8		performance of a contract to which the consumer is a
9		party.

- 10 (c) The obligations imposed on controllers or processors 11 under this chapter shall not apply where compliance by the 12 controller or processor with this chapter would violate an 13 evidentiary privilege under state law. Nothing in this chapter 14 shall be construed to prevent a controller or processor from 15 providing personal data concerning a consumer to a person 16 covered by an evidentiary privilege under state law as part of a 17 privileged communication.
- (d) A controller or processor that discloses personal data
 to a third-party controller or processor, in compliance with the
 requirements of this chapter, shall not be deemed to be in
 violation of this chapter if the third-party controller or

1	processor that receives and processes the personal data is in
2	violation of this chapter; provided that, at the time of the
3	disclosure of the personal data, the disclosing controller or
4	processor did not have actual knowledge that the recipient
5	intended to commit a violation. A third-party controller or
6	processor that receives personal data from a controller or
7	processor in compliance with the requirements of this chapter
8	shall not be deemed to be in violation of this chapter if the
9	controller or processor from which the third-party controller or
10	processor receives the personal data is in violation of this
11	chapter.
12	(e) Nothing in this chapter shall be construed to:
13	(1) Impose an obligation on controllers and processors
14	that adversely affects the rights or freedoms of any
15	person, including the right of free expression
16	pursuant to the First Amendment to the Constitution of
17	the United States; or
18	(2) Apply to the processing of personal data by a person
19	in the course of a purely personal or household
20	activity.

- 1 (f) Personal data processed by a controller pursuant to
- 2 this section shall not be processed for any purpose other than
- 3 those purposes expressly listed in this section unless otherwise
- 4 allowed by this chapter. Personal data processed by a
- 5 controller pursuant to this section may be processed to the
- 6 extent that the processing is:
- 7 (1) Reasonably necessary and proportionate to the purposes
- 8 listed in this section; and
- 9 (2) Adequate, relevant, and limited to what is necessary
- in relation to the specific purposes listed in this
- 11 section.
- 12 Personal data collected, used, or retained pursuant to
- 13 subsection (b), where applicable, shall consider the nature and
- 14 purpose or purposes of the collection, use, or retention. The
- 15 data shall be subject to reasonable administrative, technical,
- 16 and physical measures to protect the confidentiality, integrity,
- 17 and accessibility of the personal data and to reduce reasonably
- 18 foreseeable risks of harm to consumers relating to the
- 19 collection, use, or retention of personal data.
- 20 (q) If a controller processes personal data pursuant to an
- 21 exemption in this section, the controller bears the burden of

- 1 demonstrating that the processing qualifies for the exemption
- 2 and complies with subsection (f).
- 3 (h) An entity's processing of personal data for the
- 4 purposes expressly identified in subsection (a) shall not be the
- 5 sole basis for the department to consider the entity as a
- 6 controller with respect to the processing.
- 7 § -9 Investigative authority; civil investigative
- 8 demand. (a) Whenever the department has reasonable cause to
- 9 believe that any person has engaged in, is engaging in, or is
- 10 about to engage in any violation of this chapter, the department
- 11 may either require or permit the person to file with the
- 12 department a statement in writing or otherwise, under oath, as
- 13 to all facts and circumstances concerning the subject matter.
- 14 The department may also require any other data and information
- 15 as the department may deem relevant to the subject matter of an
- 16 investigation of a possible violation of this chapter and may
- 17 make special and independent investigations as the department
- 18 may deem necessary in connection with the matter.
- 19 (b) In connection with the investigation, the department
- 20 may issue a subpoena to witnesses by which the department may:
- 21 (1) Compel the attendance of the witnesses;

1	(2)	Examine the witnesses under oath before the department
2		or a court of record;
3	(3)	Subject to subsection (d), require the production of
4		any books or papers that the department deems relevant
5		or material to the inquiry; and
6	(4)	Issue written interrogatories to be answered by the
7		witness served or, if the witness served is a
8		corporation, partnership, association, governmental
9		agency, or any person other than a natural person, by
10		any officer or agent, who shall furnish the
11		information available to the witness.
12	The	investigative powers of this subsection shall not abate
13	or termin	ate by reason of any action or proceeding brought by
14	the depar	tment under this chapter.
15	(c)	When documentary material is demanded by subpoena, the
16	subpoena	shall not:
17	(1)	Contain any requirement that would be unreasonable or
18		improper if contained in a subpoena duces tecum issued
19		by a court of the State; or
20	(2)	Require the disclosure of any documentary material
21		that would be privileged, or the production of which

1	for any other reason would not be required by a
2	subpoena duces tecum issued by a court of the State.
3	(d) Where the information requested pursuant to a civil
4	investigative demand may be derived or ascertained from the
5	business records of the party upon whom the interrogatory has
6	been served or from an examination, audit, or inspection of the
7	business records, or from a compilation, abstract, or summary
8	based therein, and the burden of deriving or ascertaining the
9	answer is substantially the same for the department as for the
10	party from whom the information is requested, it shall be
11	sufficient for that party to specify the records from which the
12	answer may be derived or ascertained and to afford the
13	department, or other individuals properly designated by the
14	department, reasonable opportunity to examine, audit, or inspect
15	the records and to make copies, compilations, abstracts, or
16	summaries. Further, the department may elect to require the
17	production pursuant to this section of documentary material
18	before or after the taking of any testimony of the person
19	summoned pursuant to a subpoena, in which event, the documentary
20	matter shall be made available for inspection and copying during
21	normal business hours at the principal place of business of the

1	person se	rved, or at any other time and place as may be agreed
2	upon by t	he person served and the department.
3	(e)	Any subpoena issued by the department shall contain
4	the follo	wing information:
5	(1)	The statute alleged to have been violated and the
6		subject matter of the investigation;
7	(2)	The date, place, time, and locations at which the
8		person is required to appear to produce documentary
9		material in the person's possession, custody, or
10		control; provided that the date shall not be less than
11		twenty days after the date of the subpoena; and
12	(3)	If documentary material is required to be produced, it
13		shall be described by class so as to clearly indicate
14		the material demanded.
15	(f)	Service of subpoena of the department may be made by:
16	(1)	Delivery of a duly executed copy to the person served,
17		or if a person is not a natural person, to the
18		principal place of business of the person to be
19		served; or
20	(2)	Mailing by certified mail, return receipt requested,

of a duly executed copy addressed to the person to be

21

1	served at the person's principal place of business in
2	the State, or if the person has no place of business
3	in the State, to the person's office.
4	(g) Within twenty days after the service of a demand upon
5	any person or enterprise, or at any time before the return date
6	specified in the demand, whichever period is shorter, the party
7	may file in the circuit court and serve upon the attorney
8	general a petition for an order modifying or setting aside the
9	demand. The time allowed for compliance with the demand in
10	whole or in part as deemed proper and ordered by the court shall
11	not run during the pendency of the petition in the court. The
12	petition shall specify each ground upon which the petitioner
13	relies in seeking relief and may be based upon any failure of
14	the demand to comply with the provisions of this chapter or upor
15	any constitutional or other legal right or privilege of the
16	party. This subsection shall be the exclusive means for a
17	witness summoned pursuant to a subpoena pursuant to this section
18	to challenge the subpoena.
19	(h) The examination of all witnesses under this section
20	shall be conducted by the attorney general, or the attorney
21	general's designee, before a person authorized to administer

H.B. NO. H.D. 1

- 1 oaths in the State. The testimony shall be taken
- 2 stenographically or by a sound recording device and shall be
- 3 transcribed.
- 4 (i) Any person required to testify or to submit
- 5 documentary evidence shall be entitled, on payment of lawfully
- 6 prescribed cost, to procure a copy of any document produced by
- 7 the person and of the person's own testimony as stenographically
- 8 reported or, in the case of depositions, as reduced to writing
- 9 by or under the direction of a person taking the deposition.
- 10 Any party compelled to testify or to produce documentary
- 11 evidence may be accompanied and advised by counsel, but counsel
- 12 may not, as a matter of right, otherwise participate in the
- 13 investigation.
- 14 (j) Any persons served with a subpoena by the department
- 15 under this chapter, other than any person whose conduct or
- 16 practices are being investigated or any officer, director, or
- 17 person in the employ of the person under investigation, shall be
- 18 paid the same fees and mileage as paid witnesses in the courts
- 19 of the State. No person shall be excused from attending an
- 20 inquiry pursuant to the mandate of a subpoena, or from producing
- 21 a paper, or from being examined or required to answer questions

- 1 on the ground of failure to tender or pay a witness fee or
- 2 mileage.
- 3 (k) Any natural person who shall neglect or refuse to
- 4 attend and testify, or to answer any lawful inquiry or to
- 5 produce documentary evidence, if in the person's power to do so,
- 6 in obedience of a subpoena or lawful request of the department
- 7 or those properly authorized by the department, pursuant to this
- 8 section, shall be guilty of a misdemeanor.
- 9 (1) Any natural person who commits perjury or false
- 10 swearing or contempt in answering, failing to answer, producing
- 11 evidence, or failing to produce evidence in accordance with a
- 12 subpoena or lawful request by the department, pursuant to this
- 13 section, shall be guilty of a misdemeanor.
- 14 (m) In any investigation brought by the department
- 15 pursuant to this chapter, no person shall be excused from
- 16 attending, testifying, or producing documentary material,
- 17 objects, or intangible things in obedience to a subpoena under
- 18 order of the court on the ground that the testimony or evidence
- 19 required of the person may tend to incriminate the person or
- 20 subject the person to any penalty; provided that no testimony or
- 21 other information compelled either by the department or under

- 1 order of a court, or any information directly or indirectly
- 2 derived from the testimony or other information, may be used
- 3 against the individual or witness in any criminal case. A
- 4 person may be prosecuted or subjected to penalty or forfeiture
- 5 for any perjury, false swearing, or contempt committed in
- 6 answering, or failing to answer, or in producing evidence or
- 7 failing to produce evidence in accordance with the order of the
- 8 department or a court. If a person refuses to testify or
- 9 produce evidence after being granted immunity from prosecution
- 10 and after being ordered to testify or produce evidence, the
- 11 person may be adjudged in criminal contempt by a court pursuant
- 12 to section 710-1077. This subsection shall not be construed to
- 13 prevent the department from instituting other appropriate
- 14 contempt proceedings against any person who violates this
- 15 section.
- (n) Any state or county public official, deputy,
- 17 assistant, clerk, subordinate, or employee, and all other
- 18 persons shall render and furnish to the department, when so
- 19 requested, all information and assistance in the person's
- 20 possession or within the person's power. Any officer
- 21 participating in the inquiry and any person examined as a

1	witness upon the inquiry who shall disclose to any person other
2	than the department, the name of any witness examined or any
3	other information obtained upon the inquiry, except as so
4	directed by the department, shall be guilty of a misdemeanor.
5	(o) The department shall maintain the secrecy of all
6	evidence, testimony, documents, or other results of
7	investigations; provided that:
8	(1) The department may disclose any investigative evidence
9	to any federal or state law enforcement authority that
10	has restrictions governing confidentiality similar to
11	those contained in this subsection;
12	(2) The department may present and disclose any
13	investigative evidence in any action or proceeding
14	brought by the department under this chapter; and
15	(3) Upon written authorization of the attorney general, ar
16	inquiry under this section may be made public.
17	Violation of this subsection shall be a misdemeanor.
18	§ -10 Enforcement. Any violation of this chapter shall
19	constitute an unfair method of competition and unfair or
20	deceptive acts or practices in the conduct of any trade or

commerce under section 480-2 and shall be subject to a civil

21

- 1 penalty as provided in section 480-3.1; provided that the
