
A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 302A, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§302A- Cardiopulmonary resuscitation education. (a)
5 Beginning with the 2025-2026 school year, the department shall
6 provide and include in at least one health education class
7 required for high school graduation, instruction in
8 cardiopulmonary resuscitation.

9 (b) Instruction provided under this section shall:

10 (1) Include hands-on practice of cardiopulmonary
11 resuscitation; and

12 (2) Be congruent with current, nationally recognized,
13 evidence-based emergency care guidelines.

14 (c) Instruction provided under this section may be taught
15 by persons who:

1 (1) Are not licensed teachers, but who are formally
2 trained to provide the instruction, including
3 volunteers from the community; or

4 (2) Are licensed teachers; provided that licensed teachers
5 shall not require formal training to provide the
6 instruction.

7 (d) Any public school may waive the requirement for
8 instruction provided under this section for any student who is
9 unable to participate in the hands-on practice of
10 cardiopulmonary resuscitation due to a disability.

11 (e) No county agency, entity of the State or county
12 government, or other public or private organization that
13 sponsors, authorizes, supports, finances, or supervises the
14 instruction of students in cardiopulmonary resuscitation
15 pursuant to this section shall be liable for any civil damages
16 alleged to result from the acts or omissions of an individual
17 who received the instruction.

18 (f) No public employee who provides or facilitates the
19 instruction of students in cardiopulmonary resuscitation shall
20 be liable for any civil damages alleged to result from the acts
21 or omissions of an individual who received the instruction."

1 SECTION 2. Chapter 302C, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§302C- Cardiopulmonary resuscitation education. (a)
5 Beginning with the 2025-2026 school year, each private school in
6 the State shall provide and include in at least one health
7 education class required for high school graduation, instruction
8 in cardiopulmonary resuscitation.

9 (b) Instruction provided under this section shall:

10 (1) Include the hands-on practice of cardiopulmonary
11 resuscitation; and

12 (2) Be congruent with current, nationally recognized,
13 evidence-based emergency care guidelines.

14 (c) Instruction provided under this section may be taught
15 by persons who:

16 (1) Are not teachers, but who are formally trained to
17 provide the instruction, including volunteers from the
18 community; or

19 (2) Are teachers; provided that teachers shall not require
20 formal training to provide the instruction.

1 (d) Any private school may waive the requirement for
2 instruction provided under this section for any student who is
3 unable to participate in the hands-on practice of
4 cardiopulmonary resuscitation due to a disability.

5 (e) No county agency, entity of the State or county
6 government, or other public or private organization that
7 sponsors, authorizes, supports, finances, or supervises the
8 instruction of students in cardiopulmonary resuscitation
9 pursuant to this section shall be liable for any civil damages
10 alleged to result from the acts or omissions of an individual
11 who received the instruction.

12 (f) No public employee or private school employee who
13 provides or facilitates the instruction of students in
14 cardiopulmonary resuscitation shall be liable for any civil
15 damages alleged to result from the acts or omissions of an
16 individual who received the instruction."

17 SECTION 3. Chapter 302D, Hawaii Revised Statutes, is
18 amended by adding a new section to be appropriately designated
19 and to read as follows:

20 "§302D- Cardiopulmonary resuscitation education. (a)
21 Beginning with the 2025-2026 school year, each public charter

1 school shall provide and include in at least one health
2 education class required for high school graduation, instruction
3 in cardiopulmonary resuscitation.

4 (b) Instruction provided under this section shall:

5 (1) Include hands-on practice of cardiopulmonary
6 resuscitation; and

7 (2) Be congruent with current, nationally recognized,
8 evidence-based emergency care guidelines.

9 (c) Instruction provided under this section may be taught
10 by persons who:

11 (1) Are not licensed teachers, but who are formally
12 trained to provide the instruction, including
13 volunteers from the community; or

14 (2) Are licensed teachers; provided that licensed teachers
15 shall not require formal training to provide the
16 instruction.

17 (d) Any public charter school may waive the requirement
18 for instruction provided under this section for any student who
19 is unable to participate in the hands-on practice of
20 cardiopulmonary resuscitation due to a disability.

1 (e) No county agency, entity of the State or county
2 government, or other public or private organization that
3 sponsors, authorizes, supports, finances, or supervises the
4 instruction of students in cardiopulmonary resuscitation
5 pursuant to this section shall be liable for any civil damages
6 alleged to result from the acts or omissions of an individual
7 who received the instruction.

8 (f) No public employee who provides or facilitates the
9 instruction of students in cardiopulmonary resuscitation shall
10 be liable for any civil damages alleged to result from the acts
11 or omissions of an individual who received the instruction."

12 SECTION 4. New statutory material is underscored.

13 SECTION 5. This Act shall take effect upon its approval.

14

INTRODUCED BY:

JAN 18 2024

H.B. NO. 1792

Report Title:

Cardiopulmonary Resuscitation; Health Education; Public Schools; Private Schools; Charter Schools

Description:

Beginning in the 2025-2026 school year, requires each public, private, and charter school in the State to establish a program within the health education curriculum for high school students to provide instruction in cardiopulmonary resuscitation. Specifies instruction requirements. Waives liability for instruction under certain circumstances.
