RELATING TO AGRICULTURE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Chapter 149A, Hawaii Revised Statutes, is  
2 amended by adding a new section to be appropriately designated  
3 and to read as follows:

4           "§149A-           Pesticide inspection program; restricted use  
5 pesticides; banned pesticides. (a) The department shall  
6 establish and implement a pesticide inspection program to:

7           (1) Increase compliance with proper use of restricted use  
8           pesticides; and

9           (2) Ensure the continued prohibition on the use or  
10           application of pesticides containing chlorpyrifos  
11           pursuant to section 149A-31(7).

12           (b) In establishing the pesticide inspection program, the  
13 department shall:

14           (1) Develop a system to conduct periodic inspections or in  
15           response to a complaint to determine if any violations  
16           of section 149A-31(3), (4), or (7) were committed; and

1       (2) Develop an online reporting tool for restricted use  
2           pesticides, with a summary of data available to the  
3           public.

4       (c) The department shall post the results of pesticide  
5 inspections conducted pursuant to this section on the  
6 department's website upon completion of a final order issued by  
7 the department for a violation of the pesticide inspection  
8 program or any rules adopted pursuant to this section.

9       (d) The department shall adopt rules pursuant to chapter  
10 91 necessary for the implementation of this section."

11       SECTION 2. New statutory material is underscored.

12       SECTION 3. This Act shall take effect on July 1, 3000.

**Report Title:**

DOA; Pesticide Inspection Program; Restricted Use Pesticides;
