C.D. 1

## A BILL FOR AN ACT

RELATING TO 911 SERVICES.

#### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the technology for 2 911 services is continually evolving, resulting in changing terminology to describe the technology. Twenty years ago, the 3 4 term "enhanced" for 911 services referred to the new technology at that time, which allowed identification of the caller's 5 6 telephone number as well as the location of the caller. Across 7 the nation, states are now in the process of implementing "next 8 generation" 911 technology containing significant advances to the "enhanced" 911 technology. However, chapter 138, Hawaii 9 10 Revised Statutes, identifies 911 services in the State as 11 "enhanced" 911 services and restricts funding solely for 12 "enhanced" 911 services, preventing the State from using funding 13 for future 911 technologies. Deletion of the term "enhanced" 14 will allow continued funding for the most up-to-date 911 15 services, which is critical for the safety and well-being of all 16 people residing in or visiting the State.

### 2024-3021 HB2339 CD1 HMSO

1 The legislature also finds that under existing law, the 911 board may employ an executive director who is exempt from 2 chapters 76 and 89, Hawaii Revised Statutes, to carry out the 3 4 responsibilities under chapter 138, Hawaii Revised Statutes, 5 however, the 911 board is not allowed to employ staff exempt 6 from these chapters. 7 The purpose of this Act is to: 8 Delete the term "enhanced" in reference to 911 (1)9 services to allow funding of all 911 technologies; and 10 (2) Allow the 911 board to employ staff, in addition to 11 the executive director, who are exempt from chapters 12 76 and 89, Hawaii Revised Statutes, the State's civil 13 service and collective bargaining laws. 14 SECTION 2. Section 76-16, Hawaii Revised Statutes, is 15 amended by amending subsection (b) to read as follows: 16 "(b) The civil service to which this chapter applies shall 17 comprise all positions in the State now existing or hereafter established and embrace all personal services performed for the 18 19 State, except the following: 20 Commissioned and enlisted personnel of the Hawaii (1)21 National Guard as such, and positions in the Hawaii

Any such 12 contract may be for any period not exceeding one year; 13 (3) Positions that must be filled without delay to comply 14 with a court order or decree if the director 15 determines that recruitment through normal recruitment 16 civil service procedures would result in delay or 17 noncompliance, such as the Felix-Cayetano consent 18 decree; 19 (4) Positions filled by the legislature or by either house 20 or any committee thereof;
