JUSTIFICATION SHEET

DEPARTMENT: Taxation

TITLE: A BILL FOR AN ACT RELATING TO TAX ENFORCEMENT.

PURPOSE: To specify a deadline for taxpayers under audit to comply with demands to produce books and records and provide potential consequences for failure to comply.

MEANS: Amend sections 235-108, 236E-18.5, and 237-39, Hawaii Revised Statutes.

JUSTIFICATION: Under current law, taxpayers are required to keep account and transaction records and permit the Department of Taxation (Department) to examine those records. Taxpayers are also subject to criminal penalties for willfully failing to supply information to the Department at the times required by law, but there is no statutory deadline for taxpayers to comply with information and document requests during an audit.

Many taxpayers ignore the Department's requests for information or refuse to permit the Department to examine records during an audit, opting instead to produce the records during a tax appeal, after conclusion of the audit and issuance of a final assessment.

This bill provides a specified time for taxpayers to comply with the Department's demands for information and documents during an audit. This bill also authorizes the tax appeal court to preclude taxpayers who fail to comply with the Department's demands from introducing the documents or evidence during a judicial appeal arising from the audit in which the documents or matters were demanded unless it is shown that the failure was due to reasonable cause.

Impact on the public: Provides deadlines for taxpayers to respond to the Department's demands for information and documents during an audit.

Impact on the department and other agencies: This bill will assist the Department in obtaining accurate information from taxpayers under audit.

GENERAL FUND: No material impact expected.

OTHER FUNDS: None.

PPBS PROGRAM
DESIGNATION: None.

OTHER AFFECTED
AGENCIES: None.

EFFECTIVE DATE: Upon approval.
