
A BILL FOR AN ACT

RELATING TO DEPARTMENT OF EDUCATION PROCUREMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that as the largest
2 department in the State with two hundred ninety-five schools and
3 forty-two thousand salaried and part-time employees, the
4 department of education must procure voluminous amounts of goods
5 and services to run its operation. However, the department's
6 small purchase procurement capacity is limited to under \$25,000
7 per twelve-month period, positioning the department as the only
8 state department to not receive an increase threshold of
9 \$100,000 for small purchase procurement.

10 The legislature further finds that the department of
11 education is mandated to provide at least thirty per cent
12 locally sourced foods to Hawaii's public schools by 2030.
13 Increasing the department's small purchase procurement capacity
14 for local edible produce and packaged food products will assist
15 the department in fulfilling its mandate to provide locally
16 sourced foods for the State's public schools.

1 The purpose of this Act is to adjust the department of
2 education's small purchase procurement capacity by:

- 3 (1) Exempting purchases of local edible produce and
4 packaged food products less than \$ from the
5 electronic procurement system requirement; and
- 6 (2) Requiring no less than three written quotes for
7 purchases of local edible produce and packaged food
8 products of \$ to less than \$.

9 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is
10 amended by adding a new section to part V to be appropriately
11 designated and to read as follows:

12 "§302A- Local edible produce and packaged food products
 13 procurement; small purchases. Notwithstanding section 103D-
 14 305(c) and any other law to the contrary, procurements of less
 15 than \$ for local edible produce and packaged food
 16 products for the department shall be exempt from the requirement
 17 to conduct procurements through an electronic system and shall
 18 instead be subject to no less than three written quotes for
 19 procurements of \$ to less than \$."

20 SECTION 3. New statutory material is underscored.

21 SECTION 4. This Act shall take effect on July 1, 3000.

Report Title:

DOE; Procurement; Small Purchases; Local Produce and Packaged Food Products

Description:

Exempts Department of Education purchases of local edible produce and packaged food products less than a certain amount from the electronic procurement system requirement. Requires at least three written quotes for Department of Education purchases of local edible produce and packaged food products between certain amounts. Effective 7/1/3000. (SD1)
