HOUSE OF REPRESENTATIVES THIRTY-SECOND LEGISLATURE, 2024 STATE OF HAWAII

HOUSE CONCURRENT RESOLUTION

URGING THE MEMBERS OF HAWAII'S CONGRESSIONAL DELEGATION TO INTRODUCE LEGISLATION TO EXPAND THE NATIONAL FLOOD INSURANCE PROGRAM TO INCLUDE LAVA INSURANCE.

1 2 3 4 5 6	WHEREAS, the National Flood Insurance Program is a federal program established by the National Flood Insurance Act of 1968 that enables certain property owners to purchase flood insurance as protection against flood losses, while requiring state and local governments to enforce floodplain management laws to reduce future flood damages; and	
7		
8	WHER	EAS, the National Insurance Flood Program has two main
9	goals:	
10		
11	(1)	Provide access to primary flood insurance, thereby
12		allowing for the transfer of some of the financial
13		risk of property owners to the federal government; and
14		
15	(2)	Mitigate and reduce flood risks through the
16		development and implementation of floodplain
17		management standards; and
18		
19	WHEREAS, as a public insurance program, the goals of the	
20	National Flood Insurance Program encompass social goals, which	
21	differ from private sector insurance companies, including	
22	providing flood insurance in flood-prone areas to property	
23	owners who otherwise would not be able to obtain it and reducing	
24	the amount of federal expenditures for disaster assistance after	
25	floods; and	
26		
27 28		EAS, residents in Puna on Hawaii Island, particularly ones 1 and 2, face similar insurance coverage

H.C.R. NO.73

1 challenges as those faced by people who have property in floodprone areas; and 2 3 WHEREAS, in July 2023, Universal Property & Casualty 4 announced it was leaving Hawaii's homeowners, condominium, and 5 renters insurance market, a decision that affected about fifteen 6 hundred policies, the majority of which covered properties on 7 Hawaii Island, including nine hundred policies for properties 8 9 located in lava zones 1 and 2; and 10 11 WHEREAS, as a result, the only insurance available to many Puna residents is from the Hawaii Property Insurance Association 12 (HPIA), the State's property insurance safety net that offers 13 basic property insurance coverage for residents who have been 14 denied coverage in the private market at least twice; and 15 16 WHEREAS, however, the HPIA generally charges higher rates 17 for less coverage than insurance companies in the private market 18 19 and some Puna residents who were former Universal Property & 20 Casualty customers are finding HPIA's rates to be four to ten percent higher; and 21 22 23 WHEREAS, residents in lava zones are in dire need of more 24 insurance options to ensure the protection of all their assets and mitigate the financial burden of higher insurance premiums; 25 26 and 27 WHEREAS, expanding the National Flood Insurance Program to 28 include coverage for lava insurance could help address the 29 current property insurance crisis in certain areas in the State 30 and help minimize the economic and social hardships faced by 31 many residents affected by damage caused by lava flow; now, 32 33 therefore, 34 35 BE IT RESOLVED by the House of Representatives of the Thirty-second Legislature of the State of Hawaii, Regular 36 Session of 2024, the Senate concurring, that the members of 37 Hawaii's congressional delegation are urged to introduce 38 39 legislation to expand the National Flood Insurance Program to include lava insurance; and 40 41
