

HOUSE RESOLUTION

URGING STATE EXECUTIVE DEPARTMENTS TO REVIEW MINIMUM
QUALIFICATIONS AND COMPENSATION FOR CLASS SPECIFICATIONS
FOR JOB POSTINGS AND PROVIDE SUGGESTIONS TO THE DEPARTMENT
OF HUMAN RESOURCES DEVELOPMENT.

WHEREAS, in 2022, there were almost four thousand vacant positions across the State's executive departments; and

WHEREAS, the number of vacancies is anticipated to increase as thirty-three percent of the State's workforce is eligible to retire in the next five years; and

WHEREAS, hiring continues to be a challenge for the State due to fluctuating funding, a lengthy hiring process, and a merit-based, civil service system that restricts flexibility; and

WHEREAS, the current hiring process limits a department's flexibility in hiring individuals because funding for a position may be tied into a particular class specification, which requires certain minimum qualifications most applicants for the position may not have; and

WHEREAS, while a private employer would be able to hire a less skilled worker who did not meet certain minimum qualifications, then pay the worker less while the worker is trained on the job, state employers generally do not have that option and applicants must meet all minimum qualifications to be considered for hire; and

WHEREAS, state executive departments that utilize the Department of Human Resources Development for hiring purposes should be more involved with the minimum qualifications for certain class specifications to ensure the timely and efficient hiring of individuals within each department; now, therefore,

BE IT RESOLVED by the House of Representatives of the Thirty-second Legislature of the State of Hawaii, Regular Session of 2024, that, prior to requesting a job posting through the Department of Human Resources, state executive departments that utilize the Department of Human Resources Development for hiring purposes are urged to review minimum qualifications and compensation for class specifications for that job posting and provide suggestions to the Department of Human Resources Development; and
