
A BILL FOR AN ACT

RELATING TO CULTURE AND THE ARTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that, pursuant to
2 Act 398, Session Laws of Hawaii 1988, the Bernice Pauahi Bishop
3 Museum was designated as the State of Hawaii Museum of Natural
4 and Cultural History and, pursuant to Act 291, Session Laws of
5 Hawaii 2007, the Friends of Iolani Palace was designated as the
6 State of Hawaii Museum of Monarchy History. The legislature
7 also finds that the intent of these designations was to provide
8 the museums with a reliable funding source so that they would no
9 longer be dependent on grants and private donations. The
10 legislature further finds that, during the regular session of
11 2022, \$7,500,000 was appropriated to the State of Hawaii Museum
12 of Natural and Cultural History and \$2,000,000 was appropriated
13 to the State of Hawaii Museum of Monarchy History.

14 The legislature believes that to ensure that the operations
15 of the museums are in alignment with the State's vision, two ex
16 officio, voting members, to be selected from certain state
17 agencies, should be added to board of directors of each museum.

1 The purpose of this Act is to:

2 (1) Require that the State of Hawaii Museum of Natural and
3 Cultural History and the State of Hawaii Museum of
4 Monarchy History boards of directors include two ex
5 officio, non-voting members, to be selected by the
6 board representing state agencies and departments that
7 are in direct partnership with the museum on projects
8 that benefit the State of Hawaii;

9 (2) Require the State of Hawaii Museum of Natural and
10 Cultural History to submit an annual report to the
11 legislature;

12 (3) Establish standards and conditions that the State of
13 Hawaii Museum of Natural and Cultural History must
14 meet to receive state funds;

15 (4) Redesignate the Hawaii Museum of Natural and Cultural
16 History as the Hawaii Museum of Natural and Indigenous
17 History; and

18 (5) Appropriate funds for the renovation of Bishop Hall.

8 Indigenous History, in consultation with the office of Hawaiian
9 affairs and the state historic preservation division, may
10 temporarily or permanently withhold from the database any
11 information due to a valid threat of destruction or loss of the
12 information, or if disclosure may frustrate the legitimate and
13 necessary function of protecting a valuable archaeological site
14 or artifact. The entities shall determine what information
15 shall be withheld from the data survey; provided that prior
16 consultation is sought with any affected state or federal
