
A BILL FOR AN ACT

RELATING TO INSURANCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 431:19-101, Hawaii Revised Statutes, is
2 amended as follows:

3 1. By amending the definitions of "participant contract"
4 and "protected cell" to read:

5 ""Participant contract" means a contract by which a
6 sponsored captive insurance company, on behalf of a participant,
7 insures the risks of a participant and may also limit the losses
8 of each participant to its pro rata share of the assets of one
9 or more protected cells identified in [~~such~~] the participant
10 contract.

11 "Protected cell" means a separate account established by a
12 sponsored captive insurance company formed or licensed under
13 this article in which assets are maintained for one or more
14 participants in accordance with the terms of one or more
15 participant contracts to fund the liability [~~of~~] assumed on
16 behalf of the participants by the sponsored captive insurance

1 company [~~assumed on behalf of the participants~~] as set forth in
2 the participant contracts."

3 2. By amending the definition of "sponsored captive
4 insurance company" to read:

5 ""Sponsored captive insurance company" means a captive
6 insurance company:

7 (1) In which the minimum required capital and surplus is
8 provided by one or more sponsors;

9 (2) That is formed or licensed under this article;

10 (3) [~~That insures the risks only of its participants~~
11 ~~through separate participant contracts;~~] In which
12 risks assumed on behalf of the participant pursuant to
13 separate participant contracts are maintained in
14 separate protected cells for each participant; and

15 (4) That may fund [~~its~~] the liability [~~to~~] of each
16 participant through one or more protected cells. A
17 sponsored captive insurance company segregates the
18 assets of each protected cell from the assets of other
19 protected cells and from the assets of the sponsored
20 captive insurance company's general account."

1 SECTION 2. Section 431:19-108, Hawaii Revised Statutes, is
2 amended to read as follows:

3 "**§431:19-108 Examinations, investigations, and financial**
4 **surveillance[-]; certificate of exemption.** (a) The
5 commissioner or any authorized examiner may conduct an
6 examination, investigation, or financial surveillance of any
7 captive insurance company as often as the commissioner deems
8 appropriate; provided that, unless exempt or the commissioner
9 requires otherwise:

10 (1) An examination shall be conducted at least once every
11 five years for all captive insurance companies, except
12 as provided in paragraph (2); and

13 (2) An examination of a risk retention captive insurance
14 company shall be conducted no later than three years
15 after its formation and at least once every five years
16 thereafter.

17 The commissioner or any authorized examiner shall
18 thoroughly inspect and examine the captive insurance company's
19 affairs to ascertain its financial condition, its ability to
20 fulfill its obligations, and whether it has complied with this
21 article.

1 (b) The powers, authorities, and duties relating to
2 examinations vested in and imposed upon the commissioner under
3 section 431:2-301 through section 431:2-307.5 of the code are
4 extended to and imposed upon the commissioner in respect to
5 examinations of captive insurance companies.

6 (c) All examination reports, preliminary examination
7 reports or results, working papers, recorded information,
8 documents, and copies thereof produced by, obtained by, or
9 disclosed to the commissioner or any person in the course of an
10 examination made under this section are confidential and are not
11 subject to subpoena and may not be made public by the
12 commissioner or an employee or agent of the commissioner without
13 the written consent of the company, except to the extent
14 provided in this subsection. Nothing in this subsection shall
15 prevent the commissioner from using information in furtherance
16 of the commissioner's regulatory authority under this title.
17 The commissioner may grant access to the information to public
18 officers having jurisdiction over the regulation of insurance in
19 any other state or country, or to law enforcement officers of
20 this State or any other state or agency of the federal
21 government at any time, so long as the officers receiving the

1 information agree in writing to hold it in a manner consistent
2 with this section.

3 (d) Each branch captive insurance company shall file
4 annually with the commissioner a certificate of compliance
5 issued by the insurance regulatory authority of the jurisdiction

8 copies of any examination reports conducted of the outside
9 captive insurance company by its domiciliary insurance regulator
10 during the preceding calendar year. These filings shall be made
11 with the commissioner by March 1 of each year. So long as the
12 branch captive insurance company complies with the requirements
13 of this subsection, and unless otherwise deemed necessary by the
14 commissioner, any examination of the branch captive insurance
15 company under this subsection shall be only with respect to the
16 business underwritten by the branch captive insurance company in
17 this State. If necessary, however, the commissioner may examine
18 the outside captive insurance company of any branch captive
19 insurance company licensed under this article.

20 (e) Except for risk retention captive insurance companies,
21 captive insurance companies may apply to the commissioner for a

1 certificate of exemption from examination; provided that the
2 captive insurance company applicant has:

3 (1) Satisfactorily completed at least one examination
4 under this section; and

5 (2) Continuously filed and continues to file all financial
6 statements and other reports and otherwise complies
7 with all other required provisions of this article.

8 (f) If the commissioner is satisfied with the captive
9 insurance company's application, the commissioner may issue a
10 certificate of exemption from examination along with renewals
11 thereof.

12 (g) Unless earlier revoked by the commissioner for good
13 cause, a certificate of exemption from examination shall be
14 valid for a period not to exceed five years from its effective
15 date, and a captive insurance company may apply to the
16 commissioner for renewal of its certificate of exemption from
17 examination no earlier than six months prior to the
18 certificate's expiration date."

19 SECTION 3. Section 431:19-303, Hawaii Revised Statutes, is
20 amended to read as follows:

1 "**§431:19-303 Protected cells.** A sponsored captive
2 insurance company formed and licensed under this article may,
3 subject to the commissioner's approval, establish and maintain
4 one or more protected cells to insure risks of one or more
5 participants, or other parties unaffiliated with a participant,
6 or both, subject to the following:

7 (1) The shareholders or members of a sponsored captive

13 only those forms of business organization authorized
14 by the commissioner, including an association,

12 (6) No sale, exchange, transfer of assets, dividend, or
13 distribution may be made from a protected cell to a
14 sponsor or participant without the commissioner's
15 approval, and in no event shall the approval be given
16 if the sale, exchange, transfer, dividend, or
17 distribution would result in insolvency or impairment
18 with respect to a protected cell;

19 (7) Each sponsored captive insurance company shall
20 annually file with the commissioner, financial reports
21 as the commissioner shall require, that shall include,

1 without limitation, accounting statements detailing
