
SENATE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF BUSINESS, ECONOMIC DEVELOPMENT,
AND TOURISM TO COLLABORATE WITH UNIVERSITIES IN THE STATE
TO CONVENE THE HAWAII CREATIVE INNOVATION GROUP.

1 WHEREAS, the State's cultural creatives, fabric and fashion
2 designers, graphic artists, musicians, songwriters, and
3 performing artists are intrinsic to the identity of the State;
4 and

5
6 WHEREAS, the fashion and music industries in the State
7 contribute to economic growth, job creation, cultural
8 preservation, and tourism development, and the State's diverse
9 ecosystem of artists, venues, recording studios, and educational
10 institutions strengthens the State's cultural identity and
11 enriches the lives of residents and visitors alike; and

12
13 WHEREAS, programs, events, and organizations, including but
14 not limited to the Governor's Fashion Awards, the Creative Lab
15 Hawaii Fashion Immersive Program, Puuhonua Society's Aupuni
16 Space, and Manaola's Hale Kua business accelerator, are
17 barometers for the emerging design, fashion, and accessories
18 industries; and

19
20 WHEREAS, the success stories of music programs,
21 accelerators, and projects, including but not limited to:

- 22
23 (1) The Creative Industries Division of the Department of
24 Business, Economic Development, and Tourism's Creative

30 program at Honolulu Community College; and
31

1 (3) The University of Hawaii Academy of Creative Media
2 System's work on the Hawaiian language project for
3 *Moana*;

4
5 are examples of the opportunities that exist in the intersection
6 between music and media for the State's artists; and

7
8 WHEREAS, fashion and design education programs in the
9 University of Hawaii System, specifically at Honolulu Community
10 College, provide the training necessary to advance creative
11 entrepreneurs in these industry sectors; and

12
13 WHEREAS, music education and business programs such as MELE
14 educate island residents, including high school seniors and
15 college students, on sound recording, music mixing, songwriting,
16 artist management, audio post-production for film and
17 television, and the new technologies used to record and
18 distribute music; and

19
20 WHEREAS, the State's intent is to provide new product
21 development support from early-stage trials to
22 commercialization by establishing the infrastructure, network of
23 programs providing expert advice, and facilities that have
24 equipment of various scales specifically tailored to the
25 fashion and music industry sectors of the creative economy; now,
26 therefore,

27
28 BE IT RESOLVED by the Senate of the Thirty-second
29 Legislature of the State of Hawaii, Regular Session of 2024, the
30 House of Representatives concurring, that the Department of
