Summary [\[briefing materials\]](#)

The Hawaii Correctional System Oversight Commission (HCSOC) was established by the Hawaii State Legislature in 2019 to ensure transparency, support safe conditions for employees, inmates, and detainees, and provide positive reform toward a rehabilitative and therapeutic correctional system. This briefing will focus on the value of correctional oversight and the HCSOC's journey, work, and impact since it was established in 2019 and gained staff in 2022. The HCSOC will also highlight collaboration with justice system stakeholders and current and future projects which further our path towards a correctional system transition to a rehabilitative and therapeutic model.
