

DWIGHT BURNS

EXPERIENCE

NOVEMBER 2013 – PRESENT

MAUI ISLAND REPRESENTATIVE, HAWAII OPERATING ENGINEERS INDUSTRY STABILIZATION FUND (HOEISF)

Monitor compliance of city, state, and federally funded construction contracts, including but not limited to the Federal Davis-Bacon Act and HRS Chapter 104. Assuring compliance with the law, to create an atmosphere of fair, competitive, and safe contracting for the benefit of the entire construction industry. Provide monthly reports to the Executive Director and subcommittee of Board of Trustees. Conduct investigations on non-signatory payroll. Attend planning commission meetings to screen potential Developers who will commit to using signatory contractors. Maintain regulatory knowledge on the Hawaii Legislatures. Collaborate with elected Mayor and County Councilmembers, County officials and State and County representatives.

Notable Accomplishment:

- Introduced Responsible Bidder regulation to Maui County Council Members and now in process of being passed in Maui County Ordinances.
- Suspension of a Contractor due to findings of violations for non-compliance with prevailing wage laws and HRS Chapter 104.
