

LETTER OF INTEREST FOR JAMES A. BOSWELL  
MIS ADVISORY BOARD

To Whom It May Concern;

My name is James A. Boswell and I reside at [REDACTED], on the Island of Molokai. I am interested in serving on the Advisory Board for the Molokai Irrigation System. I previously sat on the Board as member, secretary, and Chairman. I previously taught all agriculture courses offered by UH Maui College (previously the Maui Community College), from 1987 to when I retired in May, 2016. Water is life – whether its potable or non-potable. I also understand the need to protect what resources we have. I see the Advisory Board as a means to accomplish this daunting task by providing sound advice and recommendations in the management process and I would like to be a part of this.
