Site Director and Family Nurse Practitioner

- Provide direct, primary care to patients in a Federally Qualified Health Center. Develop and implement a program targeting transgender, lesbian, bisexual and gay patients to offer gender affirming hormone therapy and care, as well as improve healthcare to this vulnerable population and reduce healthcare disparities. Work as part of an interdisciplinary team to facilitate good patient outcomes and improve the health and well-being of each patient encountered. Educate colleagues, staff and trainees on the unique health needs of the transgender population. Serve as preceptor to APRN and DO students, APRN Residents. Order appropriate studies to diagnose and treatments to address disease and improve wellness of patients. Effectively document care administered according to state and federal medico-legal standards. Participate in ongoing training.

September 2017-October 2019 **The Lavender Clinic** **Honolulu, HI**
Family Nurse Practitioner

- Provide direct, primary care to patients in a wholistic, person based medical clinic dedicated to comprehensive trans-affirmative healthcare. Work as part of an interdisciplinary team to facilitate good patient outcomes and improve the health and well-being of each patient encountered. Participate in ongoing training and mentoring sessions.

December 2010-July 2016 **Madera Community Hospital** **Madera, CA**
RN III

- Provide direct nursing care to patients in a fast-paced Emergency Department. Utilize the nursing process to assess patients, formulate and implement plans of care, document interventions and monitor patient progress. Work collaboratively as part of an interdisciplinary team to ensure excellent patient care and customer service to patients, families and employees. Assistant Chair of the Clinical Practice Group.
